JUNE	
1	*Scholarship Club*
4	*Graduation*
15	*Scholarship Club*

The curriculum is designed in a longitudinal fashion presented over a three-year fellowship. Content builds on previous material and is meant to be experienced in a progressive manner, **but all sessions are open to all fellows**. This allows for fellows who have shorter fellowships to access all material and to allow fellows to repeat sessions, if desired.

Questions?

New Fellows Orientation & Fellows' College
Hayley Gans at hagans@stanford.edu

Scholarship Academy, Scholarship Club & Grant Writing Club
Bonnie Halpern-Felsher at bonnieh@stanford.edu

Meets ACGME & ABP requirements for programs to provide core curriculum in addition to subspecialty training.

Stanford Pediatrics
Fellowship Leadership Team
