

***Bridge Support -Internal Stanford funding opportunity in Maternal and Child Health ***

Stanford Maternal and Child Health Research Institute (MCHRI) Bridge Support Program

The Stanford Maternal and Child Health Research Institute (MCHRI) Bridge Support aims to provide maternal and child health researchers up to 1 year of funding to aid in the continuation of research projects so that progress may be made to obtain renewed or replacement funding.

All projects must be *significantly* related to the health of expectant mothers and children. The applicant must be a pediatrician, obstetrician, a child¹ health subspecialist, or scientist who has a focus on, or plans to focus on, child¹ health research.

Complete application and guidelines [here](#).

DEADLINE: Sunday, May 12, 2019 @ 5:00 pm

2019 DEADLINES: May 12, September 12

*Submit your proposals to the following link: [ONLINE APPLICATION LINK](#), per the application instructions. You do not need to submit your applications via your RPM.
