We want to know more about you so we can best help you. Please complete this form and hand it to your nurse.

**Personal Information:**

Name:

*People involved in my care (name, relationship)*:

*Foods I like*:

*Foods I avoid*:

*Exercise I like*:

*What would help me exercise in the hospital*:

*Something I want the hospital staff to know about me*:

*Things I do for fun*:

Things that make me calm:

*I am interested in a complimentary CF massage*: yes/no

*Other notes about me*:

**Medical Information:**

*My medical routine*: Hospital days start at 7am. Given the early start…

*When do you prefer to do CPT and what type of CPT (manual, G5, Vest, pneumatic percussor [like FluidFlo])*?

*Are you more comfortable if certain medications are taken with food, or on an empty stomach*?

*If you are diabetic, when do you need to check your blood sugar*?
Additional medical routine notes:

<td></td>
</tr>
</tbody>
</table>

**My medical allergies:**

**Important medical notes about me:** For example, do you...

- Have a PICC line or port? If you have a port, when was it placed? What size access needle do you use (note gauge and length)?
- Have a g-tube?
- Have an insulin pump?
- Need supplemental oxygen?
- Are you diabetic? If so, what is your insulin brand, carbohydrate ratio, correction factor, sliding scale, etc.?

Do you know your average heart rate, oxygen saturation, and blood pressure?
