Did You Know?
The CF Foundation created the CF Care Center Network to set national standards ensuring the highest quality of CF care at accredited centers.

The Foundation funds and accredits more than 110 CF care centers nationwide. Each center undergoes thorough review by the CF Foundation’s Center Committee before it receives accreditation and funding. This review for accreditation occurs every year.

with Legal questions

The CF Legal Information Hotline provides free information about the laws that protect the rights of individuals with cystic fibrosis (CF). It serves as a resource for CF Care Centers, individuals with CF, and their families. Information is available regarding:

- Obtaining health insurance
- Access to health insurance under the Health Insurance Portability and Accountability Act (HIPAA)
- Extending health insurance coverage under COBRA
- Insurance coverage issues
- Social Security Disability Insurance benefits
- Supplemental Security Income (SSI) benefits
- Medicare and Medicaid coverage
- Employment issues for people with CF, including protections under the Americans with Disabilities Act (ADA)
- School laws to assist children with CF in public elementary
