CHRI Funding Opportunities & QSU Biostatistics Consultations

Two Repeated Sessions Offered:

**Session I**

**Wednesday, December 13, 2017**
9:00am-10:00am (CHRI Info session)
1265 Welch Road, The Medical School Office Building (MSOB) CONF. ROOM 237
10:00am-5:00pm (QSU Office Hours)
1265 Welch Road, The Medical School Office Building (MSOB) OFFICE 249

**Session II**

**Tuesday, January 9, 2018**
9:00am-10:00am (CHRI Info Session)
1265 Welch Road, The Medical School Office Building (MSOB) CONF. ROOM 237
10:00am-5:00pm (QSU Office Hours)
1265 Welch Road, The Medical School Office Building (MSOB) OFFICE 249

**CHRI Informational Session (9am-10am)**
Attendees will receive an overview of CHRI funding opportunities, eligibility guidelines, review process, and funding calendar. CHRI administration will be available to answer questions. Speaker: Mary Chen, CHRI Administrative Director. One of the CHRI Review Panel Chairs, Dr. Gary Shaw, Professor of Pediatrics, will also be available to provide insights on the review process. *RSVP for the informational session at the registration link above.*

**QSU Consultation Office Hours (10am-5pm)**
The Child Health Research Institute (CHRI) has partnered with the Quantitative Sciences Unit (QSU) within the Department of Medicine to provide comprehensive biostatistics and data management support. CHRI members and their mentees sign up for free consultations with data scientists whose expertise in biostatistics and informatics will provide the resources, education, and mentoring to further clinical training and research studies. * Reserve your 1-hour QSU consultation at the registration link above. Consultations will be held in the Medical School Office Building (MSOB) Room 249.*

For questions about the event, please contact Mary Chen via email at [machen@stanford.edu](mailto:machen@stanford.edu).
