**Bridge Support -Internal Stanford funding opportunity in Maternal Child Health **

Stanford Child Health Research Institute (CHRI) 
Bridge Support Program

The Stanford Child Health Research Institute (CHRI) Bridge Support aims to provide maternal child health researchers up to 1 year of funding to aid in the continuation of research projects so that progress may be made to obtain renewed or replacement funding.

All projects must be significantly related to the health of expectant mothers and children. The applicant must be a pediatrician, obstetrician, a child1 health subspecialist, or scientist who has a focus on, or plans to focus on, child1 health research.

Complete application and guidelines here.

DEADLINE: Tuesday, January 16, 2018 @ 5:00 pm

*Submit your proposals to the following link: ONLINE APPLICATION LINK, per the application instructions. You do not need to submit your applications via your RPM.
