

CVI ANNUAL RETREAT

September 12-13, 2013

Keynote Speaker:

Shaun Coughlin, MD, PhD

Director, Cardiovascular Research Institute, UCSF

*Li Ka Shing Center for Learning & Knowledge (LKSC)
291 Campus Drive, Stanford, CA 94305*

THURSDAY, SEPT 12 (LK120)

1:00 PM Registration

1:10 PM Welcome and Introduction

Joseph Wu, MD, PhD
Director, Stanford Cardiovascular Institute

1:15 PM Faculty Talk: A Conversation with Michael Snyder:
Life as an Academic scientist, genome entrepreneur, and Department Chair
Michael Snyder, PhD

2:00 PM Stanford Core Facilities Workshops

Human Immune Monitoring Center (HIMC)*

-- Yael Rosenberg-Hasson, PhD

Neuroscience Microscopy Service (NMS)*

-- Andrew Olson, PhD

High Throughput Biosciences Center (HTBC)*

-- David Solow-Cordero, PhD

Stanford Center for Innovation & In-Vivo Imaging (SCI3)*

-- Tim Doyle, PhD

Computational Services & Bioinformatics Facility (CSBF)*

-- Lee Kozar

Director Biomaterials & Advanced Drug Delivery Laboratory (BioADD)*

-- Jayakumar Rajadas, PhD

CVI Clinical Trials Manager*

-- Edward Finn

3:00 PM Career Pathways Panel**

Daniel Berstein, MD (Moderator)
-- Professor of Pediatrics, Stanford University
Mirella Bucci, PhD
-- Senior Editor, Nature Publishing Group
Aarif Khakoo, MD, MBA
-- Executive Director Cardiovascular Research, Amgen
Michael Longaker, MD
-- Professor of Surgery, Stanford University
Bart Wise, PhD, JD
-- Attorney, Wise IP Law

3:00 PM Nursing Research Workshop** *Building Nursing Science by Examining Current Clinical Practice: Ongoing Projects*

Linda Norton, RN, MSN, CCRC
-- Clinical Nurse Coordinator:
Stanford Cardiac Arrhythmia Service
Linda K. Ottoboni, RN, CNS, CCDS, FHRS
-- Clinical Nurse Specialist
Stanford Electrophysiology and Arrhythmia Service

4:00 PM Elevator-Pitch Contest -- Top 10

4:30 PM Social Event: LKSC Lawn

Drinks and hor d'oeuvres

* Concurrent events at 2 p.m.

** Concurrent events at 3 p.m.

FRIDAY, SEPT 13 (Paul Berg Hall)

8:00 AM Registration and Continental Breakfast

8:30 AM Welcome and Introduction

-- Joseph Wu, MD, PhD -- Dean Lloyd Minor, MD

8:45 AM Keynote Address: *Protease-Activated Receptors*

Shaun Coughlin, MD, PhD
Director, Cardiovascular Research Institute, UCSF

9:30 AM Round Table Discussion: *Risk Prediction from Genome Profiling: Ready for Primetime?*

-- Euan Ashley, MRCP, PhD (Moderator)
-- Atul Butte, MD, PhD -- Richard Chen, MD, MS
-- Mildred Cho, PhD -- John Ioannidis, MD, DSc

10:30 AM Coffee Break

11:00 AM Faculty Talk: *Global Clinical Research: Current Challenges and Future Directions*
Kenneth Mahaffey, MD

11:30 AM Clinical Round Table Discussion: *The Good, the Bad, and the Ugly about Clinical Research at Stanford*

-- Robert Harrington, MD (Moderator) -- William Fearon, MD
-- Kiran Khush, MD -- Ken Mahaffey, MD
-- Gerald Reaven, MD -- Marcia Stefanick, PhD
-- Ronald Witteles, MD -- Wei Zhou, MD

12:30 PM LUNCH & Keynote Address: *The (Radical) New World Order in Medical Technology Innovation*

Paul Yock, MD

1:00 PM Poster Session

2:00 PM Faculty Talk: *New Approaches to Understanding the Human Immune System*

Mark Davis, PhD

2:30 PM Young Investigator Competition Finalists

-- Clinical Research (Aya Kino, Andrew Shin)
-- Basic Research (Clint Miller, Anthony Sturzu)

3:30 AM Coffee Break

3:45 AM CVI Seed Grant Recipient Presentations

-- Mark Hlatky, MD -- Joshua Knowles, MD, PhD
-- Mary Teruel, PhD -- Phillip Yang, MD

4:45 PM Awards Presentation

-- Young Investigator Awards
-- Posters (Top 3 and 1 popular choice)
-- 2013 CVI Seed Grant Recipients

5:00 PM Social Event: LKSC

Drinks and hor d'oeuvres
