

Stanford Cardiovascular Regenerative Medicine Symposium

8 a.m. - 4 p.m., Feb. 28, 2014, Li Ka Shing Center

SESSIONS:

- I: Cell-based Therapy for Cardiac Repair – View from the Clinical Frontline
- II: Cardiovascular Regeneration – Insights from Development
- III: Translational Applications of Stem Cells in Cardiac Repair
- IV: Innovative Strategies for Cardiovascular Regeneration

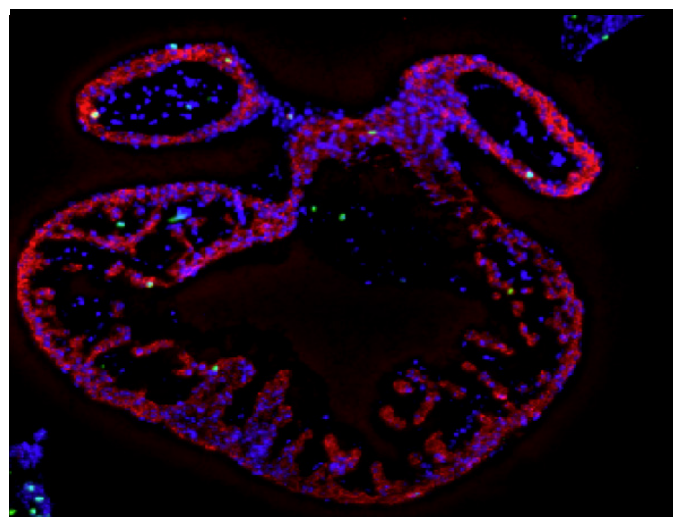

CONFIRMED SPEAKERS:

Benoit Bruneau, PhD	Gladstone Institute/UCSF
Bruce Conklin, MD	Gladstone Institute/UCSF
Sheng Ding, PhD	Gladstone Institute/UCSF
Victor J. Dzau, MD	Duke Medical Center
Antonis K. Hatzopoulos, PhD	Vanderbilt University
Timothy J. Kamp, MD, PhD	University of Wisconsin
Joseph Metzger, PhD	University of Minnesota
William Pu, MD	Boston Children's Hospital
Jay Schneider, MD, PhD	UT Southwestern
Robert Simari, MD, PhD	Mayo Clinic
Jay Zhang, MD, PhD	University of Minnesota

ORGANIZING COMMITTEE:

Daniel Bernstein, MD
Marlene Rabinovitch, MD
Pilar Ruiz-Lozano, PhD
Sean M. Wu, MD, PhD
Joseph C. Wu, MD, PhD
Phillip C. Yang, MD
