In what school/department/institute does the billet reside?

_____

Expected start date (Y-M-D)

_____
([pi_requestor_name] previously entered [pi_faculty_startdate] (please update if start date has changed))

Will the incoming faculty be doing clinical work?

◯ Yes
◯ No

REDCap

Will the incoming faculty be allocated research space at Stanford? (Bench space, wet or dry lab)

◯ Yes
◯ No

Where will this research space be located?

_____
(If not yet determined write "Not yet determined")

Please describe lab space (bench space, wet or dry lab) and any other special considerations.

Is there a research administrator in the department of [hd_faculty_department] who needs to be informed that onboarding for [pi_faculty_firstname] [pi_faculty_lastname] has begun?

◯ Yes
◯ No

Research Administrator Contact Full Name

_____

Research Administrator Contact Email

_____

Credentialing

This section captures information required by the Medical Staff Services Department (MSSD) for the credentialing process.

What license does the incoming faculty require to practice in California?

◯ CA State Medical License
◯ CA Psychologist License
◯ CA Pathologist License
◯ CA Genetic Counselor License

What Stanford address should the incoming faculty member use when updating licensing databases?

_____
(ex: 300 Pasteur Drive, Stanford, CA 94305)

At what Stanford entities will the incoming faculty be working?

☐ Stanford Health Care (SHC)
☐ Lucile Packard Children's Hospital (LPCH)
☐ ValleyCare
☐ University Health Care Alliance (UHA)
☐ Packard Children's Health Care Alliance (PCHA)
☐ Affinity

With what LPCH team or service will [pi_faculty_firstname] [pi_faculty_lastname] be working?

_____

REDCap

Will [pi_faculty_firstname] [pi_faculty_lastname] be working with a specific LPCH physician?

◯ Yes
◯ No

Name of LPCH physician

_____

Approximately what percentage of time will [pi_faculty_firstname] [pi_faculty_lastname] be working at LPCH?

_____

Name of UHA clinic

_____

Name of PCHA clinic

_____

Name of Affinity clinic

_____

Will the incoming faculty be functioning as a hospitalist?

◯ Yes
◯ No

Is the incoming faculty currently in a training program (residency/fellowship)?

◯ Yes
◯ No

Name of the training program?

_____

HR

This section captures information required by the HR cluster and HR departments for the Peoplesoft record

FTE% of Incoming Faculty's Position

_____

Is the incoming faculty benefits eligible?

◯ Yes
◯ No

Pay Spread

◯ 12 months   ◯ 9 months

Department/Division Org Code (This 4 letter code designates where the employee record resides)

_____
(Stanford University Org Codes)

Department Mail Code

_____

Is this a fixed term position? (Faculty will need to be reappointed)

◯ Yes
◯ No

End date of fixed term

_____

Total Annual Salary (APPSAL) or Hourly Rate

_____
(If not yet determined write "Not yet determined")

Base Salary (PAYSAL)

_____
(If not yet determined write "Not yet determined")

Variable Salary (if not applicable enter N/A)

_____
(If not yet determined write "Not yet determined")

Type of Hire

◯ Internal
◯ External

Stanford Affiliated Hospitals or Clinics
This section captures information about the affiliated hospitals or clinics (all sites other than Stanford Hospital or LPCH) where the incoming faculty will be working.

Will the incoming faculty be working at any hospitals or clinics other than Stanford Hospital and LPCH? ex: El Camino, VA

◯ Yes
◯ No

Please provide information for EACH SITE INDIVIDUALLY. You can add up to six sites.

This information will be used to alert the practice/administrative manager at each site that the incoming faculty has begun the onboarding process.

Stanford Affiliated Hospital Name (1)

_____
(ex: El Camino)
