

NORTHERN CALIFORNIA DISCOVER PM&R EXPO

ORTHOPAEDIST looking to improve surgical outcomes for patients?

ANESTHESIOLOGIST interested in pain management?

NEUROLOGIST seeking to improve quality of life for stroke patients?

INTERNIST interested in sports medicine and hand-on procedures?

PEDIATRICIAN interested in managing spasticity in cerebral palsy?

PHYSIATRIST who has made the correct choice?

UNDECIDED and wanting to learn more about the coolest specialty?

Or are you simply **HUNGRY**?

If so, come to the 2nd Northern CA PM&R Fair hosted by the Stanford PM&R Interest Group.

Date February 22nd, 2020 | **Time** 9am to 1pm

Location Li Ka Shing Building, 291 Campus Drive, Stanford, CA

FREE LUNCH SERVED

EVENT DESCRIPTION

This is a multi-disciplinary event introducing you to a broad spectrum of modalities such as ultrasound, electromyography, acupuncture, spasticity management with Botox injections, service pet therapy and more!

Participants will rotate between different stations with opportunities for 1:1 interactions with attendings and senior residents and hands-on demos.
