FITNESS REGISTRATION INFORMATION

- HIP Class registration begins on Tuesday, September 11th at 9:00am.
- Register online at hip.stanford.edu. All registrations are accepted on a first-come-first-served basis.
- Credit card payment online only, or check/cash payments in the HIP office. Checks payable to Stanford University.
- Classes are open to Stanford University faculty, staff and families, retirees, benefits-eligible postdocs, and SHC and LPCH employees. Community members are welcome in HIP Health Living classes, but are not eligible to take HIP Fitness classes.
- To ensure your spot in a class, please register online and pay by credit card. If you choose to use another form of payment, your class selection(s) and registration will not be confirmed until payment is received in the HIP office.
- If you see one of the classes you want marked **CLASS FULL** on the online registration page, this means that the capacity of the room or equipment has been reached. To be placed on the wait list, please click on "Join Wait List" next to the class description, complete information and *register* for the wait list. Wait listed participants will be notified by e-mail of openings.
- Classes marked **IMPACTED** are in high demand due to limited equipment or limited space. In these classes, HIP will only allow up to the maximum enrollment designated for the class. Due to an issue with our registration system, however, more than the maximum number of participants may be enrolled in a class. If this occurs, we will go by date and time stamp to determine which participants will remain in the class. Those registrations that exceed the maximum will be moved to the top of the wait list based on date and time stamp for the registration. (Waitlist: Reference Class Policies #5)
- Some facilities require a Stanford ID, or a Recreation Access Card (Hospital employees), for access. *The class description will indicate if this applies.*
- **HOSPITAL EMPLOYEES:** For HIP fitness classes held at AOERC, ACSR, Avery Pools, Arrillaga Rec Center at SLAC, and 3160 Porter Drive, a **Recreation Access Card is REQUIRED** to gain access to the facility. Access is limited to the day(s), and the times of the class only. You may obtain a Recreation Access Card from the Stanford ID Card Office: <https://uit.stanford.edu/campuscard/courtesycard>. There is a one-time charge. The card will remain valid for as long as you are employed at the hospital.

FITNESS CLASS POLICIES

1. HIP makes every effort to ensure that a suitable facility is available for each class. Occasionally, a class session may need to be relocated or cancelled due to facility usage by other groups, or instructor emergency. If a session is cancelled due to last minute facility or instructor issues, participants will be notified by email. HIP tries to offer at least 80% of the sessions of any fitness class each quarter. If a session must be cancelled, we cannot guarantee a makeup. Thank you in advance for your understanding.
2. All classes are subject to **cancellation** if they do not meet required minimum enrollments (10 min for one time per week classes, 14 min for two times per week classes). Maximum enrollment limits are set to avoid overcrowding, maintain a safe environment for exercise, and/or equipment availability.
3. **Refunds & Drops:** No refunds will be given after two weeks from the first day of the quarter. No refunds will be given for missed classes. To drop a class, please call 650-723-9649 or Email the HIP Office at healthimprovement@stanford.edu.
4. **BeWell discounts:** Fitness discounts are applied to all BeWell participants who have *completed the SHALA prior registering* for a HIP class. If registration for a HIP class is done before the annual SHALA is completed, HIP will charge a \$20 administrative fee to apply the BeWell discount manually. Please note, after two weeks into the class quarter, no fee adjustments will be granted.
5. **Wait List:** Wait-listed participants will be emailed (in chronological order) to register for their class as space becomes available. Students may not attend fitness classes without an enrollment confirmation. Please note: Instructors do not make admissions decisions. Please do not contact instructors directly about joining a class.
6. Some outdoor classes will be held **RAIN OR SHINE**. Others will be cancelled for inclement weather. Please check the class description. HIP cannot guarantee a makeup session if class is cancelled due to weather. In case of cancellation, participants will be notified by email prior to the scheduled class time.

Class times, locations, and instructors are subject to change from the listing in this schedule of classes.
Please refer to hip.stanford.edu for the most current information.

FALL QUARTER

No Classes Thanksgiving Week, 11/19-23

FITNESS CLASSES

HIP Fitness classes are limited to Stanford University faculty, staff and benefits-eligible family members (over 18), retirees, benefits-eligible postdocs, and SHC and LPCH employees. Each quarter benefits-eligible faculty and staff are eligible for two fitness class 10-week sessions at the reduced fee of \$30 after completing SHALA through BeWell.

CLASS LOCATIONS: Special Instructions – PLEASE READ

Stanford Campus Facilities

Arrillaga Outdoor Education and Recreation Center (AOERC), Arrillaga Center for Sports and Recreation (ACSR), Avery Recreation Pool (285 Santa Teresa Street), Avery Aquatic Center (235 Sam McDonald Mall) – all require Stanford ID, or Recreation Access card for entry.

Roble Gym – 375 Santa Teresa Street

NOTE: No outside shoes are allowed on the studio floors. Soft-soled shoes that have not been worn outside are permitted.

SLAC Arrillaga Recreation Center – 2575 Sand Hill Road Building 55 (Pep Ring Road north of Building 901)

IF YOU ARE NOT A SLAC EMPLOYEE and plan to attend a HIP fitness class at SLAC Arrillaga Rec Center, you must have confirmed registration in the class so your name appears on the checklist at the Guard Station (Main Gate at 2575 Sandhill Road, corner of Saga Lane and Sandhill Road). For every class, bring your driver's license, Stanford ID, or Recreation Access Card to present to the guard station attendant for entry onto the SLAC campus. You will be required to sign a Liability Waiver at the gym on your first visit. You must sign in at the gym every visit. Access is limited to the day(s), and the times of the class only.

1651 Page Mill Rd (School of Medicine Employees ONLY)

You can ONLY register for this class if you are a School of Medicine employee, and your school of medicine badge has to be specially activated for the card readers in the building. Access is granted only for class.

3160 Porter Drive Gym

Entry to this gym is via the door that is on the side of 3160 Porter, between the 3160 and 3174 Porter buildings. Please do not go to the front entrance at 3160 Porter. Bring your Stanford University ID card for access to the fitness center.

NOTE for NON-TENANTS OF 3160 PORTER DRIVE

- **Stanford University Employees:** If you have Stanford ID card and are registered in a HIP group fitness class at 3160 Porter Drive, your ID card will be activated for the Card Reader into the building. Access is limited to the day(s), and the times of the class only.
- **Hospital Employees and University family members:** If you have a Recreation Access Card and are registered in a group fitness class at 3160 Porter Drive, your card will be activated for the Card Reader into the building. Access is limited to class times only.

If your Stanford ID card or Recreation Access Card is not activated, please contact the HIP office to initiate the process.

Contact us: Email healthimprovement@stanford.edu or call 650-723-9649.

KEYS

Intensity/Difficulty

HIP encourages you to choose an activity class that matches your physical capabilities and interests.

B Beginner – classes are appropriate for those starting a fitness program, those with little or no experience doing the activity, or those wanting a less intense workout.

I Intermediate – classes are appropriate for those with some experience doing the activity. Instructor demonstrates options for participating at a lower or higher intensity.

A Advanced – classes are for experienced participants, or those wanting a more intense workout.

C Combined – classes are taught with modification of movements so that all levels are provided a safe and effective workout.

Chronic Condition Friendly

Older Adult Friendly

Please look for these icons next to classes designated "chronic condition friendly" and/or "older adult friendly".

HIP has identified classes that are particularly suited to individuals living with chronic conditions, and older adults.

We have selected classes that encourage any level of participation. The instructors will accommodate mobility limitations, and offer adjustments of pace and intensity. HIP strives to offer safe, fun, and appropriately challenging ways for all individuals to reap the benefits of increased energy, strength, and sense of well-being that physical activity can provide.

C

Hatha Yoga, Based on Principles of Alignment at 1651 Page Mill Road Gym

Alignment before action brings greater stability, safety and freedom. Movements are coordinated with the breath and designed to help participants of all levels advance in their practice. Wear comfortable clothing. Please bring your own mat to class (preferably with a sticky bottom surface). Mats will not be provided.

Pilates Barre at 1651 Page Mill Road Gym

This full body toning class is a fusion of ballet conditioning, strength training and Pilates core work. Emphasis is on targeted toning of those problem areas of the arms/shoulders, hips/seat/thighs, abs/back/core, and improving posture. We will incorporate some great moves for our lower body, light weights (if available) with small targeted isometric movements for our upper body, and Pilates abdominal/core exercises to develop long, lean, toned muscles gaining definition without bulk.

PLEASE BRING YOUR OWN MAT (PREFERABLY WITH A STICKY BOTTOM SURFACE) TO CLASS. MATS WILL NOT BE PROVIDED.

Shaolin Kung Fu: Beginner & Intermediate

Shaolin Kung Fu is a 1500-year-old comprehensive system for physical and spiritual wellness from the world-famous Shaolin Temple of China, established in 495 AD, the birthplace of Chan (Zen) Buddhism and Shaolin Kung Fu. The course will be taught by legendary martial monks from the ancient temple who are now stationed at Shaolin Temple USA, under the direction of 34th generation Shaolin Master Shi Yanran, recently named 2010 Martial Artist of the Year. Curriculum includes traditional Shaolin fist and weapons forms, Shaolin wellness exercises (qigong) and Chan (Zen) meditation. Participants will achieve harmony of body and mind through a well-balanced program, appropriate for people of all ages and physical abilities who seek to create better health and well-being, train for self-defense, and improve strength and flexibility. No martial arts experience necessary. Wear comfortable clothing and athletic shoes.

Prenatal Yoga

B I Yoga postures during pregnancy will strengthen the uterus and pelvic muscles, improve circulation, aid digestion, exercise the spinal column, relieve fatigue and tension and revitalize the internal organs. Yoga can also alleviate many of the common discom-forts of pregnancy such as nausea, constipation, varicose veins, swelling, back pain and sciatica. Breathing practice during pregnancy opens the chest and helps to improve circulation in both mother and baby, ensuring a better supply of oxygen to the blood. It also calms the nerves and gives the mother greater control of her breathing during labor. Wear comfortable stretchy clothes. Bring a blanket and a bolster, if you have one. Please bring your own mat to class (preferably with a sticky bottom surface). Mats will not be provided.

NOTE: Facility rules -- no outside shoes are allowed on the studio floor.

Yoga 4 Runners & Athletes

C In this yoga class for runners and all athletes, we have optimized yoga moves to address the specific demands of athletic performance. You will learn to move, breathe and focus in ways that significantly enhance performance, decrease soreness, reduce the chance of injury, and speed recovery. Through balanced flexibility, functional strength, core connectivity, and whole body integration, an athlete's form, efficiency, range and power can be improved. In addition, the fundamentals of concentration and breath awareness improve mental focus and mental endurance—internal assets that are important during long periods of athletic activity. Bring a yoga mat and water bottle. NOTE: Facility rules -- no outside shoes are allowed on the studio floor.
