FITNESS REGISTRATION INFORMATION

- HIP Class registration begins on Wednesday, January 10th at 9:00am.
- Register online at hip.stanford.edu. All registrations are accepted on a first-come-first-served basis.
- Credit card payment online only, or check/cash payments in the HIP office.
- Classes are open to Stanford University faculty, staff and families, retirees, benefits-eligible postdocs, and SHC and LPCH employees. Community members are welcome in HIP Health Living classes, but are not eligible to take HIP Fitness classes.
- To ensure your spot in a class, please register online and pay by credit card. If you choose to use another form of payment, your class selection(s) and registration will not be confirmed until payment is received in the HIP office.
- If you see one of the classes you want marked CLASS FULL on the online registration page, this means that the capacity of the room or equipment has been reached. To be placed on the wait list, please click on ‘Join Wait List’ next to the class description, complete information and register for the wait list. Wait listed participants will be notified by e-mail of openings.
- Classes marked IMPACTED are in high demand due to limited equipment or limited space. In these classes, HIP will only allow up to the maximum enrollment designated for the class. Due to an issue with our registration system, however, more than the maximum number of participants may be enrolled in a class. If this occurs, we will go by date and time stamp to determine which participants will remain in the class. Those registrations that exceed the maximum will be moved to the top of the wait list based on date and time stamp for the registration. (Waitlist Reference Class Policies #5)
- Some facilities require a Stanford ID, or a Recreation Access card (Hospital employees), for access. The class description will indicate if this applies.
- HOSPITAL EMPLOYEES: For HIP fitness classes held at AOCR, ACSR, Avery Pools, Arrillaga Rec Center at SLAC, and 3160 Porter Drive, a Recreation Access Card is REQUIRED to gain access to the facility. Access is limited to the day(s), and the times of the class only. You may obtain a Recreation Access Card from the Stanford ID Card Office: https://uit.stanford.edu/campuscard/courtesycard. There is a one-time charge of $25. The card will remain valid for as long as you are employed at the hospital.

FITNESS CLASS POLICIES

1. HIP makes every effort to ensure that a suitable facility is available for each class. Occasionally, a class session may need to be relocated or cancelled due to facility usage by other groups, or instructor emergency. If a session is cancelled due to last minute facility or instructor issues, participants will be notified by email. HIP tries to offer at least 80% of the sessions of any fitness class each quarter. If a session must be cancelled, we cannot guarantee a makeup. Thank you in advance for your understanding.
2. All classes are subject to cancellation if they do not meet required minimum enrollments (10 min for one time per week classes, 14 min for two times per week classes). Maximum enrollment limits are set to avoid overcrowding, maintain a safe environment for exercise, and/or equipment availability.
3. Refunds & Drops: No refunds will be given after two weeks into the quarter. No refunds will be given for missed classes. To drop a class, please call 650-723-9649 or Email the HIP Office at healthimprovement@stanford.edu. Refunds mid-quarter can only be issued if you request to drop a class due to medical reasons.
4. BeWell discounts: Fitness discounts are applied to all BeWell participants who have completed the SHALA prior registering for a HIP class. If registration for a HIP class is done before the 2018 SHALA is completed, HIP will charge a $20 administrative fee to apply the BeWell discount manually. Please note, after two weeks into the class quarter, no fee adjustments will be granted.
5. Wait List: Wait-listed participants will be emailed (in chronological order) to register for their class as space becomes available. Students may not attend fitness classes without an enrollment confirmation. Please note: Instructors do not make admissions decisions. Please do not contact instructors directly about joining a class.
6. Some outdoor classes will be held RAIN OR SHINE. Others will be cancelled for inclement weather. Please check the class description. HIP cannot guarantee a makeup session if class is cancelled due to weather. In case of cancellation, participants will be notified by email prior to the scheduled class time.

Class times, locations, and instructors are subject to change from the listing in this schedule of classes.

WINTER QUARTER HOLIDAYS
— January 15 & February 19 —
FITNESS CLASSES

HIP Fitness classes are limited to Stanford University faculty, staff and benefits-eligible family members (over 18), retirees, benefits-eligible postdocs, and SHC and LPCH employees. Each quarter benefits-eligible faculty and staff are eligible for two fitness class sessions at the reduced fee of $30 after completing SHALA through BeWell.

CLASS LOCATIONS: Special Instructions – PLEASE READ

Stanford Campus Facilities
Arrillaga Outdoor Education and Recreation Center (AOERC), Arrillaga Center for Sports and Recreation (ACSR), Avery Recreation Pool (285 Santa Teresa Street), Avery Aquatic Center (235 Sam McDonald Mall) – all require Stanford ID, or Recreation Access Card for entry.

Roble Gym Studios – 375 Santa Teresa Street
NOTE: No outside shoes are allowed on the studio floors. Non-outside soft-soled shoes are permitted.

SLAC Arrillaga Recreation Center – 2575 Sand Hill Road Building 55 (Pep Ring Road north of Building 901)
IF YOU ARE NOT A SLAC EMPLOYEE and plan to attend a HIP fitness class at SLAC Arrillaga Rec Center, you must have confirmed registration in the class so your name appears on the checklist at the Guard Station (Main Gate at 2575 Sandhill Road, corner of Saga Lane and Sandhill Road). For every class, bring your driver’s license, Stanford ID, or Recreation Access Card to present to the guard station attendant for entry onto the SLAC campus. You will be required to sign a Liability Waiver at the gym on your first visit. You must sign in at the gym every visit. Access is limited to the day(s), and the times of the class only.

1651 Page Mill Rd (School of Medicine Employees ONLY)
You can ONLY register for this class if you are a School of Medicine employee, and your school of medicine badge has to be specially activated for the card readers in the building. Access is granted only for class.

3160 Porter Drive Gym
Entry to this gym is via the door that is on the side of 3160 Porter, between the 3160 and 3172 Porter buildings. Please do not go to the front entrance at 3160 Porter. Bring your Stanford ID card for access to the fitness center.

NOTE for NON-TENANTS OF 3160 PORTER DRIVE
• Stanford University Employees: If you have Stanford ID card and are registered in a HIP group fitness class at 3160 Porter Drive, your ID card will be activated for the Card Reader into the building. Access is limited to the day(s), and the times of the class only.
• Hospital Employees and University family members: If you have a Recreation Access Card and are registered in a group fitness class at 3160 Porter Drive, your card will be activated for the Card Reader into the building. Access is limited to class times only.

If your Stanford ID card or Recreation Access Card is not activated, please contact the HIP office to initiate the process. Contact us: Email healthimprovement@stanford.edu or call 650-723-9649.

KEYS

Intensity/Difficulty
HIP encourages you to choose an activity class that matches your physical capabilities and interests.

B Beginner — classes are appropriate for those starting a fitness program, those with little or no experience doing the activity, or those wanting a less intense workout.

I Intermediate — classes are appropriate for those with some experience doing the activity. Instructor demonstrates options for participating at a lower or higher intensity.

A Advanced — classes are for experienced participants, or those wanting a more intense workout.

C Combined — classes are taught with modification of movements so that all levels are provided a safe and effective workout.

Chronic Condition Friendly
Please look for these icons next to classes designated “chronic condition friendly” and/or “older adult friendly”.
HIP has identified classes that are particularly suited to individuals living with chronic conditions, and older adults. We have selected classes that encourage any level of participation. The instructors will accommodate mobility limitations, and offer adjustments of pace and intensity. HIP strives to offer safe, fun, and appropriately challenging ways for all individuals to reap the benefits of increased energy, strength, and sense of well-being that physical activity can provide.
AQUATIC EXCERCISE

AQUA FITNESS
Have fun getting a full body workout while utilizing the low-impact properties of water with music based choreography. The emphasis will be on cardio-respiratory endurance, core & muscle strength, improving balance & posture, toning up and burning fat. Come SPLASH water to your health! This class blends cardio-conditioning and body-toning into a full-body workout. Classes held in shallow water. Most of the class is in upright, standing position. Flotation belts are available if the water depth is too deep. Beneficial for those concerned about placing stress on joints. "Chronic Condition Friendly" and "Older Adult Friendly" class. Class is held, rain or shine, but may be cancelled in case of lightning. Entry to the Pool is through the AOERC building main entrance. Avery Recreational Pool is the new swim complex on the West Side of campus; enter through Arrillaga Outdoor Education and Recreation Center. RAIN OR SHINE, CANCELLED IF LIGHTNING

OVERCOMING FEAR OF WATER
This class is for individuals who have fear, anxiety or discomfort in water. This class is also designed for individuals who have previously taken beginning swim courses and have had little/no success or who struggle to move through water. A foundation of basic balance and movement skills will be developed through a series of fundamental water exercises. When safety or balance in the water is in question, as is the ability to move, and to some extent, the ability to breathe comfortably. As comfort and balance improve, the easier it is to accept movement and breathing skills. The goal is to heal fear and create a swimmer who is comfortable and in control in both shallow and deep water. RAIN OR SHINE, CANCELLED IF LIGHTNING

This class is marked IMPACTED because HIP can only allow up to the maximum enrollment designated for this class due to limited equipment or space.

POOL LOCATIONS

AVERY RECREATION POOL / SWIM COMPLEX
Located on 285 Santa Teresa Street, west side of campus. Enter through the Arrillaga Outdoor Education Recreation Center (AOERC). PLEASE BRING YOUR STANFORD ID OR REG LIMITED PASS CARD FOR BUILDING AND POOL ENTRY.

AVERY AQUATIC CENTER
Located on the east side of campus, next to the football stadium. Enter through the Arrillaga Outdoor Education Recreation Center (AOERC). PLEASE BRING YOUR STANFORD ID OR REG LIMITED PASS CARD FOR POOL ENTRY.

ATHLETIC FITNESS & MARTIAL ARTS

ADVENTURE RACE INSPIRED WORKOUT
Discover new levels of endurance and strength as you hop, crawl, moan and laugh your way through our Adventure Race-inspired obstacle course and strength training program. This class will be tailored to your ability but expect to push yourself to discover your strengths as you go for your personal best. Wear comfortable athletic clothing and supportive cross training shoes. Bring a mat, water bottle, towel. PLEASE BRING YOUR OWN MAT (PREFERABLY WITH A STICKY BOTTOM SURFACE) TO CLASS. MATS WILL NOT BE PROVIDED.

### Cardio Kickbox

Kicking and punching can alleviate stress and make for a great workout when they are part of a cardio kickboxing routine. Cardio kickboxing offers an aerobic workout that elevates your heart rate and keeps you moving with a series of kicking, punching and strengthening moves which tone muscles and burn fat. You’re sure to get a challenging workout and feel great at the end of this class. Note: Tuesday classes are held outdoors and may be cancelled if raining. Wear comfortable athletic clothing and shoes. Please bring your own mat to class (preferably with a sticky bottom surface). Mats will not be provided. Bring a towel, water bottle.

### HIIT 30: High Intensity Interval Training

HIIT 30 is a high intensity workout for those who are interested in burning fat faster but are limited on time. Boost your metabolism by alternating between short periods of intense exercise followed by brief periods of rest or lower intensity moves. HIIT 30 is a total body workout, combining strength training, fat-blasting cardio and core sculpting exercises. This class provides a constantly changing environment utilizing anything from body weight to dumbbells. Your body won’t be bored and you’ll never hit a plateau. Join us for this dynamic and energetic “get in and get out” workout. Bring a towel and water bottle. Please bring your own mat to class (preferably with a sticky bottom surface). Mats will not be provided.

### Shaolin Kung Fu: Beginner & Intermediate

Shaolin Kung Fu is a 1500-year-old comprehensive system for physical and spiritual wellness from the world-famous Shaolin Temple of China, established in 495 AD, the birthplace of Chan (Zen) Buddhism and Shaolin Kung Fu. The course will be taught by legendary martial monks from the ancient temple who are now stationed at Shaolin Temple USA, under the direction of 34th generation Shaolin Master Shi Yanran, recently named 2010 Martial Artist of the Year. Curriculum includes traditional Shaolin fist and weapons forms, Shaolin wellness exercises (qigong) and Chan (Zen) meditation. Participants will achieve harmony of body and mind through a well-balanced program, appropriate for people of all ages and physical abilities who seek to create better health and well-being, train for self-defense, and improve strength and flexibility. No prior martial arts experience necessary. Wear comfortable clothing and athletic shoes.

Running Made Easy
Runners and walk/runners welcome! There will be two instructors leading the classes. Beginning runners, walk/runners, intermediate and advanced runners all welcome! Learn proper running form to prevent running related injuries and improve efficiency while you run. Learn to increase your running tempo/speed safely and effectively. Learn how to increase your mileage gradually. Expect to be running or walk/running 85-90% of the class! Each session will include 8-10 minutes of warm up, a main 40-45 minute set focusing on form, tempo and a 5-10 minute cool down. Class Goal: To have participants walk/run or run (depending their fitness level) a 5K fun run -10k.

Cycle & Strength
Is cardio conditioning enough? Is weight training missing something? Combine the two. Part of this class is intense cycling, the other weight training. Research shows that this type of interval training improves overall fitness. This class is ideal for cross training, and for breaking through personal fitness plateaus. Discover how fit you can get! Bring a towel and water bottle. Please bring your own mat to class (preferably with a sticky bottom surface). Mats will not be provided.

**TRX & Cycle Combo Workout**

This class is a perfect combination of low impact indoor cycling to burn calories and build endurance, and the use of the TRX for a great core and full body strength workout. You will achieve your fitness or performance goals and improve overall health. The supportive instructors will help you workout safely and effectively at your own fitness level. You will also enjoy great music that gets you pumped up! Please bring your own mat to class (preferably with a sticky bottom surface). Mats will not be provided. Bring your Stanford ID for admittance into building.

The following classes are marked IMPACTED because HIP can only allow up to the maximum enrollment designated for this class due to limited equipment or space.

**Ballet & Barre Work**

If you love classical ballet technique and working with a ballet barre then this class is for you. Each class will include a 15 minute warm up, 30 minutes of choreographed barre work and short ballet and modern dance choreographies. Wear ballet canvas shoes and comfortable dancing clothes. No previous ballet experience necessary but a good fitness level is recommended. Please bring your own mat to class for stretching on the floor (preferably with a sticky bottom surface). Mats will not be provided.

**Beginning Ballet & Contemporary Dance**

Learn classical ballet and contemporary dance technique for fun and to improve physical conditioning. Emphasis is placed on correct body alignment to execute dance movements that build strength, flexibility and coordination. Exercises will start at the floor level to build core and upper body muscles. Next, participants will learn a complete ballet barre and center ballet exercises. Finally, we will dance easy combinations and introduce jumping for a great cardio work-out. Ballet slippers (leather or canvas) required. Comfortable dance attire recommended. If you love to dance this class is for you! Please bring your own mat to class for stretching on the floor (preferably with a sticky bottom surface). Mats will not be provided.
## Beginning & Intermediate Ballet
Learn classical ballet technique for fun and physical conditioning. Emphasis is placed on understanding the correct use of the muscles for proper alignment and overall body awareness. Please dress in non-restrictive clothing, ballet slippers, with hair pulled off the neck.

*NOTE: Facility rules -- no outside shoes are allowed on the studio floor.*

## Middle Eastern Belly Dance
This class provides American Style belly dance technique, posturing, language and movements. The American style is a fusion of Middle Eastern and Western World-Dance cultures. When practiced regularly, belly dance is proven to help improve core strength, balance, flexibility, and even self-confidence! Specifically, in this class you will learn iconic belly dance movements, such as stomach rolls, body waves, shimmies, hip ups and downs, sinuous snaky movements, and various performance skills, with an emphasis on safety and alignment, and strength and flexibility of the pelvis and spine. All levels of fitness and dance experience are welcome. This is a multi-level class taught by an experienced professional dancer. Bring a water bottle.

*NOTE: Facility rules -- no outside shoes are allowed on the studio floor.*

Chinese Movement Therapy & QiGong
Your breath is your life. Combat stress and fatigue by increasing awareness of your breath through qigong. Each class will start by relaxing and opening the body through gentle movements from the Chinese martial arts of Xingyi and Bagua. Then we'll focus on developing your breathing through simple qigong postures. Wear comfortable (not restrictive) clothes and flat shoes. John has been studying Chinese martial arts for more than 20 years, and currently teaches Xingyi and Bagua in Menlo Park. Classes are held outdoors rain or shine. "Chronic Condition Friendly" and "Older Adult Friendly" class.

Feldenkrais® - An Antidote to RSI, Back, Neck & Shoulder Tension
Improve your ability to sense and change poor body organization which contributes to repetitive strain injuries, stiffness and pain. If you experience intermittent tension, or pain which comes and goes, start now to prevent injury and feel better fast. Using the Feldenkrais Method, you will learn healthier movement patterns which decrease excessive effort associated with strain. Participants improve their self awareness, and learn to make adjustments in their actions which both heal and prevent unhealthy tension patterns from progressing into a chronic injury. Exercises may be done sitting in a chair, or in other configurations (such as standing or lying down) which increase the effectiveness of the content. "Chronic Condition Friendly" and "Older Adult Friendly" class. Please wear comfortable, nonrestrictive clothing.

Instructor: Jean Elvin, Guild Certified Feldenkrais PractitionerCM since 1997. She has special training in dealing with repetitive strain and other self-use issues commonly found in the workplace. Please bring your own mat to class. Mats will not be provided.

Meditation & Breathwork
A continuing meditation practice for those with experience. The practices of meditation and breathwork are beneficial in promoting health, calming the mind, reducing stress and increasing creativity and the ability to concentrate. Each class will include 10-20 minutes of silent meditation practice. Class is for those with some experience and education in meditation, and supports an ongoing practice of meditation. Class is taught seated in chairs. "Chronic Condition Friendly" and "Older Adult Friendly" class. If you are new to meditation, a prerequisite to this class is to take one of the HIP Healthy Living classes to learn meditation. Please download the Healthy Living Schedule of Classes or Search online on the HIP website.

Pilates Mat

Aging Strong Pilates ®
No matter your stage in life, as we age, keeping fit is essential to doing the things you love with ease, power and grace. In this class we incorporate both standing and mat work and use resistance bands and inflatable 9” miniballs to challenge your core and flexibility. Expect improved posture, injury prevention, coordination, strength, flexibility and balance with crossover benefits to your daily sports and activities. This class is appropriate for beginner to advanced intermediate levels. If you have low bone density, weight bearing exercises are incorporated and safe mat variations will be offered. The instructor is a licensed physical therapist, certified Pilates instructor and national presenter. Wear comfortable clothing and bring your own mat and a 6ft blue or green resistance band (they can be purchased online). Bring a 9 inch inflatable ball if you have them. Please bring your own mat to class (preferably with a sticky bottom surface). Mats will not be provided.

NOTE: Facility rules -- no outside shoes are allowed on the studio floor.

This class is marked IMPACTED because HIP can only allow up to the maximum enrollment designated for this class due to limited equipment or space.

### TRX Suspension Training
TRX is a workout program that leverages gravity and your bodyweight to perform hundreds of exercises. You’re in control of how much you want to challenge yourself on each exercise. You will do TRX suspended drills and bootcamp drills. All fitness levels welcome. Bring a towel and water bottle. Class is held outdoors. Wear sunscreen, sun glasses, and/or hat for sun protection. Bring a towel and water bottle. Please bring your own mat to class (preferably with a sticky bottom surface). Mats will not be provided. Your instructor may move the class to a covered area in hot weather to do a strength training workout.

The following classes are marked IMPACTED because HIP can only allow up to the maximum enrollment designated for this class due to limited equipment or space.

#### Healthy Back Strong Abs at 1651 Page Mill
Focus on developing and maintaining strong mid-section and healthy back. Class combines stretches and focused strengthening exercises to build balanced, flexible and strong muscles and joints. Please bring your own mat to class (preferably with a sticky bottom surface). Mats will not be provided. NOTE: Facility rules -- no outside shoes are allowed on the studio floor.

A Stanford University or Recreation Access Card is required for admittance into the building. If you have a problem with your card contact the HIP office. HOSPITAL EMPLOYEES: A Recreation Access Card is required to gain access to the facility where your class is held and is limited to the day(s), and the times of the class only. If you do not have a Recreation Access Card, contact the HIP office at healthimprovement@stanford.edu or call 650-723-9649. Please note: You must obtain the Recreation Access Card from the Stanford ID Card Office http://campuscard.stanford.edu. There is a small one-time charge due at that time.

Pilates Barre at 1651 Page Mill

This full body toning class is a fusion of ballet conditioning, strength training and Pilates core work. Emphasis is on targeted toning of those problem areas of the arms/shoulders, hips/seat/thighs, abs/back/core, and improving posture. We will incorporate some great ballet conditioning moves for our lower body, light weights (if available) with small targeted isometric movements for our upper body, and Pilates abdominal/core exercises to develop long, lean, toned muscles gaining definition without bulk.

PLEASE BRING YOUR OWN MAT (PREFERABLY WITH A STICKY BOTTOM SURFACE) TO CLASS. MATS WILL NOT BE PROVIDED.

Functional Strength Training
This class is for beginners or experienced exercisers who want to perform daily work and recreational activities with more ease and vigor. Wear comfortable clothing. This class is a specially designed program to provide the proper training stimulus & guidance for better functioning. We will use Functional Movement Screens to assess and develop mobility, focus on strengthening the most essential human movements (squat, lunge, push, pull, etc.) to enhance balance and control. What we do today determines how we will be tomorrow. Wear comfortable athletic clothing and closed toe shoes. Bring a towel and water. Please bring your own mat to class (preferably with a sticky bottom surface). Mats will not be provided. This is an “Older Adult Friendly” class.

Senior Strong
If you don’t use it, you lose it. After age 40 most people lose 1-2 percent of their muscle mass each year and along with it strength and bone density. Proper resistance training has been proven to not only maintain but increase muscle and strengthen bones. Learn how to get started and safely progress with Senior Strong. What you do today will determine how you will be tomorrow. Bring a towel and water. Please bring your own mat (preferably with a sticky bottom surface) to class. “Older Adult Friendly” class.

**Prenatal Yoga**

Yoga postures during pregnancy will strengthen the uterus and pelvic muscles, improve circulation, aid digestion, exercise the spinal column, relieve fatigue and tension and revitalize the internal organs. Yoga can also alleviate many of the common discomforts of pregnancy such as nausea, constipation, varicose veins, swelling, back pain and sciatica. Breathing practice during pregnancy opens the chest and helps to improve circulation in both mother and baby, ensuring a better supply of oxygen to the blood. It also calms the nerves and gives the mother greater control of her breathing during labor. Wear comfortable stretchy clothes. Bring a blanket and a bolster, if you have one. Please bring your own mat to class (preferably with a sticky bottom surface). Mats will not be provided.

**NOTE:** Facility rules -- no outside shoes are allowed on the studio floor.

Unwind & Thrive Yoga
Series of exercises to improve health and flexibility that are suitable for all fitness levels. Class includes flow yoga, standing and seated poses, gentle stretches and balancing exercises. The emphasis is on moving fluidly with the breath in order to improve balance, concentration, flexibility and strength. For all fitness levels. Please bring your own mat to class (preferably with a sticky bottom surface). Mats will not be provided. Wear comfortable athletic clothing.

Vinyasa & More
This class incorporates elements from many styles of yoga and is designed to push and challenge your limits. The continuous sequence will focus on breath awareness, posture, strength, flexibility and balance. So even if you've mastered most poses, you'll find yourself in new territory. Wear comfortable athletic clothing. Bring a towel. Please bring your own mat to class (preferably with a sticky bottom surface). Mats will not be provided.

Yoga Basics
This yoga class will give you the solid foundation for a safe and fun (yet rigorous) yoga practice. You'll learn a sequence of postures that will strengthen the entire body, increase the range of motion, and expand the capacity of your lungs. You will walk, sit, stand and sleep with more ease. For all fitness levels. Wear comfortable clothing. Please bring your own mat to class (preferably with a sticky bottom surface). Mats will not be provided.

NOTE: Facility rules -- no outside shoes are allowed on the studio floor.

Yoga Core
Focus on improving range of motion and strengthening musculature around the joints. Emphasis will be placed on core strength. Yoga Tune Up Therapy Balls® for self massage will be used. All fitness levels welcome. Bring a towel and water bottle. Please bring your own mat to class (preferably with a sticky bottom surface). Mats will not be provided.

Yoga 4 Runners & Athletes
In this yoga class for runners and all athletes, you will learn to move, breathe and focus in ways that significantly enhance performance, decrease soreness, reduce chance of injury, and speed recovery. Yoga is a time-tested practice that we have optimized to address the specific demands of athletic performance. This class fosters balanced flexibility, functional strength, core connectivity, and whole body integration, which improve an athlete's form, efficiency, range and power. In addition, the fundamentals of concentration and breath awareness improve mental focus and mental endurance—internal assets that are important during long periods of athletic activity. This yoga class directly addresses common athletic challenges, optimizing your performance, and keeping you injury-free, feeling great, and in the game for many years to come. Bring a yoga mat and water bottle. NOTE: Facility rules -- no outside shoes are allowed on the studio floor.

Yoga/Pilates Fusion
This class blends the elegant precision of Pilates with the dynamic flow of yoga. Develop core strength, tone muscles, improve balance and flexibility. Many of the exercises will challenge you more, make you stronger and longer, and improve your overall endurance and stamina. Wear comfortable athletic clothing and shoes. Bring a yoga mat and towel.
Where are HIP classes offered WINTER 2018?

At these convenient locations on and off campus!

Locations of HIP classes
