“Palliative Care and Symptom Management for Patients with ILD”  
12-1PM
Winnie Teuteberg, MD, Stanford Healthcare

Questions? Susan Jacobs RN, MS (650) 725-8083

This self-help group was established by the Stanford University School of Medicine, Division of Pulmonary & Critical Care Medicine, with the support of the Pulmonary Fibrosis Foundation, a non-profit organization dedicated to improving PF awareness and education.
PULMONARY FIBROSIS SUPPORT GROUP DIRECTIONS Li Ka Shing Bldg
Stanford University Medical Center, 300 Pasteur Drive, Stanford, CA 94305
(650) 723-4000 main number
(650) 725-8083 Susan Jacobs RN, MS; pager 650 723-8222, ID#18235

ROOM DIRECTIONS to room 101 in the Li Ka Shing Building:

1. Enter the ‘old’ hospital at the 300 Pasteur Dr. front main entrance by the fountains and valet parking drop-off
2. After you enter the hospital, turn right and proceed down the hall through the double glass doors to the outside, or ask the information desk for assistance
3. Continue walking straight through the next set of double doors and go down that hall and exit the last set of glass doors to the outside
4. Turn left and walk until you see signs to the “Li Ka Shing’ building on your right (just past the bamboo on your right)
5. Enter the building, walk past the café, and look for signs to room 101 on your right

If you need assistance or a wheelchair, please stop at the Information desk when you enter the front door of the hospital. Problems? Ask the information desk to page Susan Jacobs at #18235
