## CB-12 & 18

- Universal base plate
- Durable galvanized finish
- Fasteners provided for wood & steel
- For use on wood, steel or concrete
- Post extends past roofing substrate to keep attachment point high enough that it is still accessible after the roof is complete
- Round post works with most off-the-shelf flashing kits
- Great for use with retractable or horizontal lifeline systems
- CB-18 is for concrete application only
- Custom design & fabrication available
- Available in stainless steel

### Model #    Description

00645      CB-12 - CB Roof Anchor Galvanized (fasteners included)
