The Neuromuscular Program at Stanford and Lucile Packard Children’s Hospital, invites you to attend the 3rd Annual Spinal Muscular Atrophy Conference at Stanford School of Medicine. This meeting is for adults diagnosed with SMA, teens in transition, and caregivers of children diagnosed with SMA. The event takes place from 10:00 AM to 2:00 PM at the Li Ka Shing Center, Stanford School of Medicine, 291 Campus Drive, Stanford, CA, on Saturday, May 13, 2017. Attendees need not be a patient at either Stanford or LPCH. A lunch buffet will be provided. Online registration is required by April 28: http://tinyurl.com/StanfordSMA2017. Refer to the registration webpage for the agenda and directions.

This event will focus on future clinical studies, new treatments like Spinraza, as well as presentations from SMA experts on maintaining benefits while working, the heightened importance of physical and occupational therapies in this new age of Spinraza, and more.
