

Mid/Senior Career Clinical Excellence Award

Each year the Department will recognize one of its faculty for mid-senior career clinical excellence.

Clinical excellence at this stage of a faculty career must demonstrate leadership in clinical improvements above and beyond one's current role and responsibilities. Examples include, but are not limited to: clinical excellence; leadership of clinical effectiveness initiatives and projects (identifying best/leading practice, developing and implementing a target initiative in the context of PQMS); improving quality, service and affordability; or innovative implementation or development of new approaches to clinical care.

Eligibility criteria:

- Any member of the Department of Pediatrics faculty who is more than five years beyond the end of their training (UTL, MCL, NTLR, NTLT and CE) may be nominated.

Who can nominate:

- Any faculty, staff, student, resident, fellow or postdoctoral scholar working in the Department of Pediatrics may nominate an eligible faculty member.

Nomination process:

- Nominations must be submitted through the online survey, which will be forwarded to the Award Selection Committee.
- Nominations should total half a page in length, and must include:
 - Name of the nominee
 - Rationale for why the individual deserves the honor (1-2 paragraphs)
