

Rater's Name:	Presenter's Name:			
Poster/Presentation Title:				
Conference/Target Audience:				
<i>PLEASE RATE THE QUALITY OF EACH ITEM BELOW</i>				
POSTER DESIGN	Needs Improvement	Good	Excellent	N/A
1. Title is informative and catches audience interest				
2. Poster is well organized, easy to follow and contains appropriate section headings				
3. Space is used effectively – there is a balance of text, tables, figures and white space				
4. Tables/Figures contain an appropriate amount of detail				
5. Format supports the delivery of information – text is large enough to read from a distance, colors are not distracting				
6. Content is clear and can be conveyed in the absence of the presenter				
7. Funding source is acknowledged (if applicable)				
POSTER/PLATFORM PRESENTATION	Needs Improvement	Good	Excellent	N/A
1. The background and relevance of the study is clearly described				
2. The research question and hypothesis are clearly stated				
3. The methods are clearly described				
4. The methods are designed appropriately to answer the research question				
5. The results are clearly described				
6. Tables, graphs, or other visuals are clearly introduced and described				
7. Complex concepts are described well and are appropriately tailored to audience level				
8. Applications/implications to science, education and/or patient care are clearly articulated				

POSTER/PLATFORM DELIVERY	Needs Improvement	Good	Excellent	N/A
1. Presenter conveys confidence and knowledge in the material				
2. Presentation is succinct – highlights key points				
3. Body language (posture, hand gestures) is professional, welcoming and friendly				
4. Eye contact is appropriately maintained				
5. Voice is clear and audible				
6. Presentation maintained good pace and flow				
7. Responses to questions are direct and insightful				
8. Presenter conveys enthusiasm for topic
