

Second and Third Year Fellow-Led Family Meeting – Self Evaluation

Fellow: _____

Observing Faculty: _____

Date: _____

Brief description of patient and goals of family meeting:

Please reflect on your success and difficulties in leading this family meeting. Comment upon what went well and what was challenging. Were the goals of the meeting achieved? What have you learned from this experience that will change your approach to a similar situation in the future?

Faculty Evaluation (please comment on what went well, where you saw the fellow having difficulty, and suggestions for improvement).
