Event Code 3216 has been programmed to provide discounted parking ($8) in Galvez Lot on October 18, 2017.

Here are instructions on how the code entry works at the pay machines:

1. First park and remember your stall number
2. Touch any key to exit intro screen
3. Enter your stall number and Press [OK] to Continue
4. Select #1 to Purchase a Ticket.
5. On the next screen, select (1) for Incremental or (2) for Event Code Parking. If arriving after 10:45 use the incremental option without an event code and skip to step 9.
6. If Event Code Parking is selected, select “Yes” when it asks if you have an event code
7. Enter the event code number (3216) and press OK
8. Once the code is entered, you’ll receive a message that says “Get Ready for Payment”
9. Insert your Visa/MasterCard or cash payment (if incremental rate was selected and paying by credit card, increase the expiration time by pressing the ‘1’ key). If paying by cash, depositing more money increases the expiration time
10. Select OK to complete transaction and print your receipt. No need to display receipt on dashboard
