Inpatient/Outpatient Psychiatrist

Clinical Assistant Professor, Clinical Associate Professor, or Clinical Professor
Division of General Psychiatry and Psychology
Department of Psychiatry and Behavioral Sciences
Stanford University School of Medicine

The Department of Psychiatry and Behavioral Sciences at the Stanford University School of Medicine is seeking a full-time faculty member to provide clinical care and teaching in general psychiatry in both our inpatient unit and our outpatient clinics. This position requires strong interest and/or experience with inpatient psychiatry.

Physician applicants must have a medical degree or equivalent degree, completed training in General Psychiatry, be board-certified in General Psychiatry, and possess or be fully eligible for a California medical license.

Rank and salary will be commensurate with experience.

Stanford is an equal employment opportunity and affirmative action employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability, protected veteran status, or any other characteristic protected by law. Stanford welcomes applications from all who would bring additional dimensions to the University's research, teaching and clinical missions.

Interested candidates should send a cover letter and current curriculum vitae to:
