Mirror your Windows Devices to 4K TV

If 4KTV is Off, turn it on using Remote control

On TV remote control click on "Source" then on TV Screen select "Miracast"

On your Laptop PC

Swipe in from the right edge of the screen, and then tap or click "Devices"
(If you're using a **mouse**, point to the lower-right corner of the screen,
move the mouse pointer up, and then click "Devices".) 

Tap or click "Project", and then tap or click "Add a wireless display".
Choose the wireless display "**MicrosoftDisplayAdapter_38**".

Wait till your display connects to TV,
On your Laptop Screen Enter the code that is displaying on TV screen, and
Look for "**Download Over metered Connection**" and Click it to "on"

PC screen only. You'll see everything on your PC.

(When you're connected to 4KTV, this option changes to **Disconnect**.)

Duplicate. You'll see the same things on both screens.

Extend. You'll see everything spread over both screens, and you can drag and move items between the two.

Second screen only. You'll see everything on the connected screen. Your other screen will be blank.

Mirror iPhone & iPad Devices to Apple Airplay

If TV is **OFF**, turn it **on** using TV's **Remote control**
On remote control click on "**Source**" then select "**MAC**".

On iPhone or iPad To Turn on **Bluetooth**: 

1. Place your finger below the screen (**on the bezel**)
2. Slide your finger up onto the screen
3. When the grabber appears, place your finger on it
4. Slide your finger up onto the screen to reveal Control Center
5. Slide your finger up onto the screen to reveal Control Center
6. Tap on **Bluetooth**  to turn it on
7. Tap on Airplay 
8. Select "**PBS 3rd FL R3100**"
9. Tap on "**Mirror**"
10. Enter the "**pass code**" from the TV Screen. Done!

Mirror your Apple display to Airplay

If TV is **OFF**, turn it **on** using TV's Remote control
On remote control click on "**Source**" select "**MAC**".

1. Click the **AirPlay** icon  in the menu bar,

2. then under "**Connect To AirPlay Display.**" choose your **Apple TV** "**PBS 3rd FL R3100**"

3. The icon turns blue when your Mac is using an **AirPlay** display.

4. From the same **AirPlay** menu, choose either Extended Desktop or one of the mirroring options under "Use **AirPlay** Display To."

To stop using your Apple TV as an **AirPlay** display,
choose Disconnect **AirPlay** Display from the **AirPlay** menu.
Or just press the Menu button on the **Apple TV** remote.
