Mental health update

Nina Horowitz

- Another death in the community
 - Totally different background, highlights that mental health is a grad-wide issue
- Nina is working with the GSC mental health work group
- Drafting concrete list of asks to give to the administration
- Will be sending a draft for SBSA leadership to read over for feedback
- Many angles - more therapists, change faculty mentality, change culture
- Carrot - highlight faculty as people who care. Stick - publicity about suicides
