Bi-Weekly Update:
Clinical Research Education

*SEATS AVAILABLE*
Lane Library Resources for Clinical Research
Date: Thursday, April 13
Time: 9:00 a.m.–10:00 a.m.
Location: Medical School Office Building, Rm. 303
Clinical Research Operations Program: Elective

This class will provide information on the vast Lane Medical Library resources available to School of Medicine personnel. Learn how to check out physical materials from the library, access online databases, journals, and eBooks, and highlight visual databases such as VisualDx, Anatomy.TV, and JoVE.
