Non-Exempt Enter Hours Worked and Leave into Online Timecard

After logging into Kronos, the Timecard is displayed for the current pay period. For training materials, go to: http://kronostraining.stanford.edu. Please see your Human Resources Manager or Time and Leave Administrator for a unique situation not addressed here.

2. **If you have a single job/account, skip to Step 7.** To enter hours for more than one job or to charge specific accounts, click once in the Transfer cell.

   a. Click once on the correct leave type (e.g., Vacation, Sick, Personal, Floating).
