

Instructions & Guidelines: Each environment/scene card provides a description of the environment you will be assigned to and the task describes the objective of this activity.

Family Pool Party

Scene: You are at a family get-together and the adults there are busy with themselves; not paying attention to the young people. Your older, popular cousin from high school is [smoking/vaping/using hookah/using smokeless/ or using any other nicotine product]. You are watching. He/she turns to the group and asks who would like to try it.

Task: As a group, discuss how each of you would respond to this older, popular cousin. Use that discussion to develop a 1-3 minute skit showing the scene and how different kinds of people would respond to the offer. Keep in mind where you are and who is there. You will be presenting this skit to the entire group.

Huge House Party

Scene: You have been invited to a huge house party in which you know approximately half of the people. Many of the people there are high schoolers. One of the cool kids is outside [smoking/vaping/using hookah/using smokeless/ or using any other nicotine product]. You notice, and he/she turns to your group and asks who would like to try it.
