

Nicotine Addiction Module

Unit 3: Nicotine Addiction

The discussion points below are designed for you to initiate an essential conversation with a trusted adult in your life. It does not matter if you know the factual answer; you can research that together at a later time. What is important is that you are able to communicate with a trusted adult, to broaden your perspective on this topic.

What do you think are the most effective ways that schools, students, and families can help prevent young people from becoming addicted to nicotine?

Do you think that nicotine addiction is an important topic for young people to learn about? Why or why not?

Why do you think tobacco companies do not make their products nicotine free?
