The BNGAP Academic Medicine Career Development Conference has been designed to help diverse medical students and residents, especially those who are racial and ethnic minorities, women, and LGBT, gain awareness and preparation for an academic medicine career.

Over the course of the conference, learners will be able to:

- Explore academic medicine careers to fit with their personal and professional interests.
- Navigate the array of academic medicine career paths and opportunities.
- Develop and enhance their academic medicine portfolio.
- Expand their network among academic medicine colleagues and role models.
