

*** Instructor K-awards Support -Internal Stanford funding opportunity in Maternal Child Health ***

Stanford Child Health Research Institute (MCHRI) Instructor K-awards Support Program

Purpose: The Stanford Maternal and Child Health Research Institute (MCHRI) intends to support early career investigators who pursue an NIH K-award. The MCHRI recognizes that this NIH award series provides substantial salary support but limited research funding. It is the purpose of the MCHRI award to bolster this shortfall in research support to expand the number of future academic leaders in maternal and child health.

The Stanford Maternal and Child Health Research Institute (MCHRI) Instructor K-awards Support provides supplemental support for instructors on *individual* K-awards by providing 1:1 matching funds from the instructor's department funds innovative maternal and child health-focused clinical and translational research for:

Instructors – (\$50,000* per year for up to 2 years)**

- *MCHRI will match departmental commitments of *up to* \$25,000 per year, providing a total combined MCHRI/departmental support of up to \$50,000 per year for *up to* two years** as long as the recipient is an instructor at Stanford
- MCHRI will provide a LOS stating this commitment for instructor's applying for K grants. The recipient may *either* include this in the K application **or** the Department Chair can include a MCHRI approved statement in the letter documenting institutional support.
- ** Eligibility is limited to the 1st two years of funding on the K-award.
