

Courses and Units for Students Matriculating Year 2017-18

Total for Graduation: 259

Current course names, numbers, unit values, and sequencing are subject to change

Autumn Year 1 (Q1): 41 units

INDE 201: Practice of Medicine I	11 units
SURG 203: Human Anatomy	15 units
BIOC 205: Molecular Foundations of Medicine	4 units
INDE 216: Cells to Tissues	2 units
SURG 201: Embryology	1 unit
INDE 218: Histology	1 unit
BIOC200: Applied Biochemistry	2 units
GENE 202: Human Genetics	4 units
EMED 201: Basic Cardiac Life Support	1 unit

Winter Year 1 (Q2): 26 units

INDE 202: Practice of Medicine II	8 units
INDE 263: Microbiology and Infectious Diseases I	4 units
IMM 205: Immunology in Health and Disease	4 units
NBIO 206: The Nervous System	8 units
DBIO 201: Cells and Signaling in Regenerative Medicine	2 units

Spring Year 1 (Q3): 20 units

INDE 203: Practice of Medicine III	8 units
INDE 221: HHD I	12 units

Autumn Year 2 (Q4): 28 units

INDE 204: Practice of Medicine IV (A and B)	10 units
INDE 222: HHD II (A and B)	16 units
INDE 265: Microbiology and Infectious Diseases II	2 units

Winter Year 2 (Q5): 20 units

INDE 205: Practice of Medicine V (A and B)	8 units
INDE 223: HHD III (A and B)	10 units
PTD (A and B)	2 units

Spring Year 2 (Q6): 10 units

Pathophysiology and Clinical Problem Solving	5 units
INDE 206: Practice of Medicine VI	5 units

Clinical Clerkships: 96 units

MED 300A: Internal Medicine	12 units
SURG 300AL Surgery	12 units
ANES 306A: Critical Care	6 units
FAMMED 301A: Family Medicine	6 units
MED 313A: Ambulatory/Emergency Medicine	6 units
NENS 301A: Neurology	6 units
OBGYN 300A: Obstetrics & Gynecology	9 units
PEDS 300A: Pediatrics	12 units
PSYC 300A: Psychiatry	6 units
Selective I: Fundamentals of Clinical Care	6 units
Selective II: Subinternship	6 units
Electives	9 units

Other Requirements: 18 units

MED 295: Advance Cardiac Life Support (ACLS)	2 units
INDE 297: Reflections, Research, and Advances in Patient Care	4 units
Scholarly Concentration Coursework	12 units
