

October 27, 2004

**Name:** Philip A. Pizzo, M.D.

**Office Address:** 300 Pasteur Drive, M-121, Stanford, CA 94305

Ph: 650-724-5688 Fax: 650-725-7368

E-mail: [Philip.pizzo@stanford.edu](mailto:Philip.pizzo@stanford.edu)

**Place of Birth:** New York, NY

**Education:**

1966 B.A. (*Cum Laude*) Fordham University, Bronx, NY

1970 M.D. (*With Honors and Distinction in Research*) University of Rochester School of Medicine, Rochester, NY

**Honorary Degrees:**

1996 Sc.D. Fordham University, Bronx, NY

1996 M.A. Harvard University, Boston, MA

**Postdoctoral Training:**

Internships and Residencies:

1970-1971 Intern, Children's Hospital Medical Center, Boston, MA

1971-1972 Junior Assistant Resident, Children's Hospital Medical Center, Boston, MA

1972-1973 Senior Assistant Resident, Children's Hospital Center; Teaching Fellow, Harvard Medical School, Boston, MA

Clinical and Research Fellowships:

1973-1976 Clinical Associate, Pediatric Oncology Branch, National Cancer Institute, Bethesda, MD

**Licensure and Certification:**

1971 Diplomate, National Board of Medical Examiners

1975-1996 Maryland license D17450

1975 Diplomate, American Board of Pediatrics

1976 Diplomate, Subspecialty of Hematology-Oncology, American Board of Pediatrics

1996-2001 Commonwealth of Massachusetts Board of Registration in Medicine, Registration No. 151474, Expiration Date 12/06/01

2002- The Medical Board of California, Registration No. G 86370,

**Academic Appointments:**

1987-1996 Professor of Pediatrics, USUHS, F. Edward Hebert School of Medicine, Bethesda, MD

|           |  |
|-----------|--|
| 1996-2001 | Thomas Morgan Rotch Professor and Chair, Department of Pediatrics, Harvard Medical School at Children's Hospital             |

National and International Committees and Offices

1981-1983 Advisory Panel to the Hospital Infections Committee, Center for Disease Control for the 3rd Edition of Hospital Isolation Manual  
 1981-1983 Ad Hoc Panel on Current Cancer Therapies, American Medical Association  
 1981-1985 Communications Strategy Committee, The American Society of Pediatric Hematology/Oncology  
 1982-present Medical Director, Camp Fantastic

|           |   |
|-----------|---|
| 1982-1986 | National Advisory Committee on Pediatric Oncology, American Cancer Society  |
| 1983-1984 | Program Committee, American Society for Clinical Oncology   |
| 1983      | Program Committee, Third International Symposium on Infections in the Immunocompromised Host  |
| 1984-     | Advisory Board, St. Francis Center, Washington, DC  |
| 1984-1988 | Membership Committee, American Society for Clinical Oncology  |
| 1984-1990 | Advisory Panel, Children's Hospice Services, Department of Health and Human Services  |
| 1985-     | Scientific Advisory Board, The William Guy Forbeck Foundation   |
| 1985-1990 | International Advisory Council Cancer Institute, Children's Hospice International   |
| 1985-1986 | Program Committee, Fourth International Symposium on Infections in the Immunocompromised Host   |
| 1986-1987 | Work Study Group on Adolescents and Young Adults with Cancer, American Cancer Society   |
| 1986      | Education Committee, American Society for Clinical Oncology   |
| 1986-1988 | Member, National Advisory Committee on Childhood Cancer, American Cancer Society Program Committee, Fifth International Symposium on Infection on the Immunocompromised Host, and Chairman, Consensus Committee |
| 1987-1990 | Publications Committee, Infectious Diseases Society of America  |
| 1988-1992 | Member, Secretary's Task Force on HIV Infection in Children   |
| 1988-     | Board of Directors, Children's Inn, Inc.  |
| 1988-1995 | Scientific Advisory Board, Children's Hospice International   |
| 1988-1989 | Scientific Advisory Board, AIDS Program, National Institute of Allergy and Infectious Diseases  |
| 1988-1994 | Member, Committee on AIDS, Infectious Disease Society of America  |
| 1989-1996 | Scientific Advisory Board, Pediatric Section, American Federation for AIDS Research   |
| 1989-     | Health Advisory Board, Pediatric AIDS Foundation  |
| 1990      | Local Arrangements Committee, American Society for Clinical Oncology  |
| 1990-1993 | Member, PHS Task Force on AIDS in Women and Children  |
| 1990      | Member, PHS-National HIV Resource Center Committee for developing guidelines for the prophylaxis of <i>Pneumocystis carinii</i> in HIV-infected children  |
| 1990-1993 | Clinical Research Subcommittee of the AIDS Research Advisory Committee (ARAC)   |

|              |   |
|--------------|---|
| 1990-present | Director and Executive Council, The International Immunocompromised Host Society  |
| 1991         | Program Committee and Subcommittee Chairman, American Society for Clinical Oncology   |
| 1991-1992    | Chairman, Task Force on Guidelines for Antiretroviral Therapy of Infants and Children   |
| 1992-1995    | Awards Committee, American Society for Clinical Oncology  |
| 1992-1993    | Chairman, Nominations Committee, American Society for Clinical Oncology [ASCO]  |
| 1993-1996    | Member, Women in Infectious Disease Task Force, Infectious Disease Society of America   |
| 1992-1996    | Board of Directors, Special Love, Incorporated  |
| 1992-1996    | Member, HIV Vaccine Working Group, National Institute of Allergy and Infectious Disease   |
| 1993-present | Advisory Committee for Subspecialty Training in Pediatric Hematology-Oncology, Accreditation Council for Graduate Medical Education                       |
| 1994-1995    | Member, Center for Disease Control-National HIV Resource Center Committee for revised guidelines for <i>Pneumocystis carinii</i> in HIV-infected children |
| 1992-1994    | Task Force for Revised Classification System for Human Immunodeficiency Virus Infection in Children Less than 13-Years of Age, Center for Disease Control |
| 1993-present | Consultant, Center for Drug Evaluation and Research, Food & Drug Administration   |
| 1994-present | Member, Internal Planning Group, National Task Force on AIDS Drug Development   |
| 1994-1996    | Vice President, International Immunocompromised Host Society  |
| 1995-present | Selection Committee, Elizabeth Glaser Scientist Award   |
| 1995-present | Member, National Institute of Health Director's Panel on Clinical Research  |
| 1996         | Member, International Scientific Committee for the XIth International Conference on AIDS  |
| 1996-present | Board of Directors, Pediatric AIDS Foundation   |
| 1996-1999    | Board of Directors, American Society of Clinical Oncology   |
| 1996-1998    | President Elect, International Immunocompromised Host Society   |
| 1996-1999    | Counselor, Infectious Diseases Society of America   |
| 1997-        | Scientific Advisory Board, Charles Hood Medical Foundation  |
| 1997-        | Chairman, Selection Committee, Samuel Rosenthal Foundation Award for Excellence in Academic Pediatrics  |
| 1998-2000    | President, International Immunocompromised Host Society   |

|       |   |

| 1999- | Institute of Medicine Board on Health Sciences Policy                                     |
| 2000- | Member, Sponsors Committee, Glaser Pediatric Research Network                             |
| 2001- | Principal Investigator of the Stanford University General Clinical Research Center        |
| 2002- | Vice-Chair, Elizabeth Glaser Pediatric AIDS Foundation                                    |
| 2003- | Chair, Health Policies Science Board, Institute of Medicine, National Academy of Sciences |
| 2004- | Member, NIH Blue Ribbon Panel on Conflict of Interest, National Institutes of Health      |
| 2004- | Administrative Board, American Association of Medical Colleges                            |

**Memberships In Professional Societies:**

|      |   |
|------|---|
| 1976 | American Society of Clinical Oncology                     |
| 1976 | American Society of Hematology                            |
| 1977 | American Association for the Advancement of Science       |
| 1978 | American Association for Cancer Research                  |
| 1978 | American Federation of Clinical Research                  |
| 1978 | American Society of Microbiology                          |
| 1980 | Fellow, American Academy of Pediatrics                    |
| 1980 | International Immunocompromised Host Society              |
| 1982 | American Society of Pediatric Hematology/Oncology         |
| 1982 | Fellow, Infectious Disease Society of America             |
| 1984 | Society for Pediatric Research                            |
| 1985 | Pediatric Infectious Disease Society                      |
| 1987 | American Society for Clinical Investigation               |
| 1995 | American Pediatric Society                                |
| 1997 | Institute of Medicine of the National Academy of Sciences |
| 1998 | Association of American Physicians                        |

**Editorial Boards:**

|              |   |
|--------------|---|
| 1980-1983    | Associate Editor, Cancer Treatment Reports                |
| 1984-present | Associate Editor, Pediatric Infectious Disease            |
| 1985-1990    | Editorial Board, Mycology Observer                        |
| 1982-1983    | Editorial Board, Physician Desk Query                     |
| 1986-1990    | Editorial Board, Physician Desk Query                     |
| 1987-present | Editorial Advisory Board, Infectious Diseases in Children |
| 1989-present | Editorial Board, Antimicrobial Agents and Chemotherapy    |

|              |  |
|--------------|--|
| 1989-1991    | Editorial Board, PREP-American Academy of Pediatrics                   |
| 1990-present | Editorial Board, Clinical Infectious Diseases                          |
| 1990-1996    | Editorial Board, Pediatric AIDS and HIV Infection: Fetus to Adolescent |
| 1994-present | Editorial Board, Clinical Cancer Research                              |
| 1997-present | Associate Editor, Pediatric Transplantation                            |

**Major Research Interests:**

1. Diagnosis, management and prevention of infections in the cancer compromised host
2. Childhood Cancer
3. Pediatric AIDS
4. Role of immunoregulatory agents and biological modifiers in bolstering host defenses following immunosuppressive therapy in both *in vivo* and *in vitro* model systems
5. Clinical Research

**Research Funding Information:**

Support from the National Cancer Institute, Intramural Research Program:

Competed for and managed the intramural funding line for the Pediatric Branch since 1982; including basic and clinical research programs in pediatric oncology, infectious diseases and pediatric AIDS

Developed and oversaw the intramural budget for the Division of Clinical Sciences for the National Cancer Institute; program includes approximately 900 employees, including 120 tenured Principal Investigators and serves as a focus for all clinical research within the National Cancer Institute's intramural program

Facilitated and Coordinated Grant Support:

**Major Administrative and Clinical Responsibilities:**

|           |  |
|-----------|--|
| 1980-1996 | Head, Infectious Disease Section, National Cancer Institute (responsible for the scientific and clinical work of a research group that grew from two FTEs in 1980 to over 30 in 1995)  |
| 1982-1996 | Chief of Pediatrics, National Cancer Institute (responsible for the scientific, clinical and educational programs in pediatric hematology/oncology; this program has grown from less than 20 individuals in 1982 to approximately 150 in 1995)   |
| 1995-1996 | Acting Director, Division of Clinical Sciences, National Cancer Institute (includes serving as both the Clinical and Scientific Director for a division of approximately 900 individuals, a direct operating budget of \$91M, and oversight over 130,000 sq. ft. of research space as well as 147 in-patient beds and extensive outpatient facilities) |
| 1996-     | Chair, Department of Medicine, Children's Hospital, Boston, MA   |
| 1996-     | Physician-in-Chief, Children's Hospital, Boston, MA  |

**Self Report Of Teaching:**

Regional, National and International Contributions

*Weekly teaching rounds* with fellows in pediatric oncology at the National Cancer Institute

*Weekly teaching rounds* with fellows in infectious diseases at the National Institute of Health

*Grand Rounds and Seminars* at major medical centers throughout the USA

*Board Review Courses*

Pediatric hematology/oncology, pediatric infectious diseases as well as adult oncology, hematology and infectious diseases

*Meet-the-Professor*

Sessions sponsored by the American Academy of Pediatrics, American College of Physicians, American Society of Clinical Oncology, American Society of Hematology, Infectious Disease Society of America

*Lectures and Symposia*

Invited lectureships by National and International Societies in Pediatrics, Infectious Diseases, Hematology/Oncology.

*Children's Hospital Activities*

Senior Rounds, daily

Intern Rounds, weekly

HMS III Rounds, weekly

Mentoring and Advising Responsibilities.

Contributor to the training of medical students and residents [as well as, to the training of Nurse Practitioners and Research Nurses] who have rotated through the Pediatric Branch of the National Cancer Institute in Hematology-Oncology (\*) and/or Infectious Diseases/Pediatric AIDS Research (†)

Listed below are the current positions (as of 1995) of Postdoctoral and Junior Faculty Physicians trained by Dr. Pizzo in the

\*Stephan K. Ladisch, M.D. '78  
Professor of Pediatrics, Biochemistry & Molecular Biology Director,  
Center for Cancer & Transplant Biology, Children's National Medical  
Center

\*Richard S. Ungerleider, M.D. '78  
Chief, Clinical Investigations Branch, CTEP, National Cancer Institute,  
National Institute of Health

\*Lawrence F. Cohen, M.D. '79  
Pediatrician, Clinical Professor of Pediatrics, George Washington  
University

\*Jane Grayson, M.D. '79  
Chief, Radiation Oncology, Northern Virginia Cancer Center,  
Alexandria Hospital

\*Gregory H. Reaman, M.D. '79  
Professor of Pediatrics, Chairman, Dept. Hematology/Oncology,  
Children's National Medical Center, The George Washington University  
School of Medicine & Health

\*Udo Bode, M.D. '80  
Professor of Pediatrics, Dept. Pediatric Hematology/Oncology  
University Bonn, Children's Hospital, Germany

Edwin C. Douglass, M.D. '80  
Director, Clinical Oncology, St. Christopher's Hospital, Professor, Dept.  
of Pediatrics, Temple Univ. School of Medicine

\*Jonathan M. Ducore, M.D. '80  
Associate Professor of Pediatrics Hematology/Oncology, Dept. of  
Pediatrics UCDMC

\*Allen I. Oliff, M.D. '80  
Executive Director, Department of Cancer Research, Merck Research  
Labs

\*Giovanna Tosato, M.D. '80  
Director, Division of Hematologic Products, Office of Therapeutics,  
Research & Review, Center for Biological Evaluation and Research  
Food and Drug Administration

\*Julie Blatt, M.D. '81  
Professor of Pediatrics, University of North Carolina

\*Joseph Gootenberg, M.D. '81  
Director, Pediatric Hematology/Oncology, Division of Pediatric  
Oncology, Lombardi Cancer Research Center, Georgetown University  
School of Medicine

\*Marc Horowitz, M.D. 81  
Professor of Pediatrics, Texas Children's Cancer Center

\*Michael Trigg, M.D. '81  
Director of Pediatrics, Bone Marrow Transplantation; Professor of  
Pediatrics, University Iowa Hospitals & Clinics

\*Ernest Hamel, M.D. '83  
Senior Investigator, Laboratory of Molecular Pharmacology Branch,  
Developmental Therapeutics Program, National Cancer Institute

\*† John Hiemenz, M.D. '84  
Associate Professor of Medicine, H. Lee Moffitt Cancer Center,  
University of South Florida

- \*Mark A. Israel, M.D. '84  
Professor, Department of Neurological Surgery and Pediatrics, The  
Preuss Laboratory for Molecular Neuro-Oncology, Brain Tumor  
Research Center, Dept. of Neurosurgery, University of California at San  
Francisco
- \*Giriyappa Srinivasan, M.D. '84  
Radiation Oncologist, Department of Radiation Oncology, Camden  
Clark Memorial Hospital
- \*Frank M. Balis, M.D. '84  
Head, Pharmacology & Experimental Therapeutics Section, Pediatric  
Branch, National Cancer Institute
- \*Ilan R. Kirsch, M.D. '85  
Chief, Acquired Gene Rearrangement Section, National Cancer Institute
- \*†James Hathorn, M.D. '85  
Department of Medicine, Divisions of Infectious Diseases and Cancer  
Center, Duke University Medical Center
- †Jane Skelton, M.D. '85  
Division of Infectious Diseases and Medical Oncology, University of  
Montreal
- \*Christopher T. Denny, M.D. '86  
Associate Professor of Pediatrics, Division of Pediatric Hematology/  
Oncology, University of California at Los Angeles
- †Deborah Cotton, M.D. M.P.H. '86  
Professor Medicine, Boston University
- \*Lee J. Helman, M.D. '86  
Chief, Pediatric Oncology Branch, National Cancer Institute
- \*Karen J.[Chayt] Marcus, M.D. '86,  
Chief of Pediatric Radiation Therapy, Dana Farber Cancer Institute
- \*John T. Sandlund, M.D. '87  
Associate Member of Dept. of Hematology/Oncology , St. Jude  
Children's Research Hospital
- \*Carola A. Arndt, M.D. '87  
Consultant, Mayo Clinic, Assistant Professor, Department of Pediatrics,  
Mayo Clinic
- \*Carolyn A. Felix, M.D. '87  
Associate Professor of Pediatrics, Division of Oncology, The Children's  
Hospital of Philadelphia

- \*S. Percy Ivy, M.D. '87  
Senior Investigator, Investigational Drug Branch, National Cancer Institute
- \*Nita L. Seibel, M.D. '87  
Associate Professor of Pediatrics, George Washington University School of Medicine; Attending Physician, Dept. Hematology-Oncology, Children's National Medical Center
- †Michael Thaler, M.D. '87  
Division of Infectious Diseases, Sheba Medical Center, Tel-Hashomer, Israel
- \*Francisco J. Barriga, M.D. '88  
Instructor, Division of Pediatric Hematology/Oncology, Universidad Catolica de Chile, Chile
- \*Pamela S. Cohen, M.D. '88  
Assistant Professor of Pediatrics, Division of Pediatric Hematology/Oncology, North Shore University Hospital, Cornell Medical College, New York
- \*Peter F. Daly, M.D. '88  
Adjunct Member, Picower Institute, Chief of Pediatrics, Health Maintenance America
- \*Richard L. Heideman, M.D. '88  
Associate Member and Associate Director, Dept. of Hematology-Oncology, St. Jude Children's Hospital
- \*Jeffrey A. Moscow, M.D. '88  
Assistant Professor of Pediatrics, University of Kentucky
- †Diamon Gandji, M.D. '88,  
Department of Oncology, Free University, Brussels, Belgium
- †Thomas J. Walsh, M.D. '88  
Chief, Infectious Disease Section, Pediatric Branch, National Cancer Institute
- †Judy Falloon, M.D. '89  
Senior Investigator, Infectious Disease Service, National Institute of Allergy and Infectious Disease
- \*Bruce T. Shiramizu, M.D. '89  
Assistant Professor, University of Hawaii
- \*Lorraine A. Cazenave, M.D. '89  
Senior Investigator, Developmental Chemotherapy Section, Investigational Drug Branch, Cancer Therapy Treatment Evaluation Program, National Cancer Institute

- \*†Julius A. Lecciones, M.D. '89  
Assistant Professor, Philippines General Hospital, University of the  
Philippines System, Manila, Philippines
- \*Charles S. Morrow, M.D. Ph.D. '89  
Assistant Professor, Dept. of Biochemistry, Wake Forest University  
Medical Ctr.
- \*Peter C. Adamson, M.D. '90  
Associate Professor of Pediatrics, University of Pennsylvania,  
Children's Hospital of Philadelphia
- †Karina Butler, M.D. '90  
Faculty of Pediatrics, University of Dublin, Ireland
- \*Abdallah Al-Nasser, M.D. '90  
Consultant, Section of Pediatric Oncology Department of Oncology,  
Kingdom of Saudi Arabia, King Faisal Specialist Hospital & Research  
Center, Saudi Arabia
- \*†Marc Rubin, M.D. '90  
Vice President & Worldwide Director of Therapeutic Development &  
Product Strategy, Glaxo-Wellcome
- \*Peter D. Aplan, M.D. '90  
Cancer Research Pediatrician, Assistant Professor of Pediatrics and  
Microbiology, Department of Pediatrics, Roswell Park Cancer Institute
- \*†Shizuko Sei, M.D. '90  
Senior Scientist, HIV Clinical Interface Laboratory, National Cancer  
Institute
- †Alison Freifeld, M.D. '90  
Associate Professor, Infectious Diseases, Department of Medicine,  
University of Nebraska School of Medicine
- \*Luke J. Whitesell, M.D. '90  
Assistant Professor of Pediatrics, Dept. of Hematology/Oncology, The  
University of Arizona Health Sciences Center
- †Robert Husson, M.D. '90  
Assistant Professor of Pediatrics, Division of Infectious Disease,  
Children's Hospital, Harvard Medical School
- †Linda Lewis, M.D. 90  
Associate Professor of Pediatrics, Uniformed Services University for the  
Health Sciences; Senior Staff, Food & Drug Administration
- \*Giuseppe Todeschini, M.D. '90  
Associate Professor of Medicine, University of Verona, Italy

- \*Stacey L. Berg, M.D. '91  
Assistant Professor, Department of Pediatrics, Baylor College of  
Medicine, Texas Children's Hospital
- \*Gary D. Crouch, M.D. '91  
Pediatric Oncologist, Kessler Air Force Base
- \*Cynthia E. Herzog, M.D. '91  
Faculty Associate, University of Texas, M.D. Anderson Cancer Center
- \*Malcolm A. Smith, M.D. '91  
Head, Pediatric Section, Clinical Investigations Branch, National Cancer  
Institute
- \*Leonard H. Wexler, M.D. '91  
Assistant Professor of Pediatrics, Cornell University and Memorial  
Sloane Kettering Institute
- †Stephen Chanock, M.D. '91  
Senior Investigator, Infectious Disease Section, Pediatric Branch,  
National Cancer Institute
- †Miriam Weinberger, M.D. '91  
Department of Internal Medicine & Infectious Diseases, Beilinson  
Medical Center, Petah-Tikva, Israel
- †Steven Zeichner, M.D. Ph.D. '91  
Senior Investigator, Infectious Disease Section, Pediatric Branch,  
National Cancer Institute
- \*Crystal L. Mackall, M.D. '92  
Senior Clinical Investigator, Transplant Immunology Section,  
Experimental Immunological Branch, National Cancer Institute
- \*†Brigitta U. Mueller, M.D. '00  
Associate Professor of Pediatrics, Baylor College of Medicine
- \*Craig A. Mullen, M.D. Ph.D. '92  
Assistant Professor, Division of Pediatrics, University of Texas, M.D.  
Anderson Cancer Center
- \*Aziza T. Shad, M.D. '92  
Assistant Professor of Pediatrics, Department of Pediatrics, Division of  
Pediatric Hematology/Oncology, Georgetown University Medical Center
- †Emmanuel Roilides, MD, Ph.D. '92  
Assistant Professor of Pediatrics, Aristotelian University School of  
Medicine, Thessolinika, Greece

- \*†Barry D. Anderson, M.D. Ph.D. '93  
Assistant Professor of Pediatrics, Georgetown University  
Investigator, Cancer Treatment Evaluation Program, National Cancer  
Institute
- †Tore Abrahamsen, M.D. Ph.D. '93  
Department of Pediatrics, Rikshospitale, University Hospital, Oslo,  
Norway
- \*Janet L. [Johnson] Franklin, M.D. '93  
Assistant Professor of Pediatrics, Dept. of Hematology/Oncology,  
Children's Hospital of LA
- \*†Steven Hirschfeld, M.D. Ph.D. '93  
Medical Officer, Division of Oncology Drug Products, Food & Drug  
Administration
- \*John J. Letterio, M.D. '93  
Investigator, Pediatric Branch and Laboratory of Chemoprevention,  
National Cancer Institute
- \*Maria Velez-Yanguas, M.D. '93  
Assistant Professor of Pediatrics, Louisiana State University, Dept.  
Pediatrics
- †Gareth Tudor-Williams, M.R.C.P. '94  
Division of Infectious Diseases, St. Mary's Hospital and Medical School,  
London, UK
- \*Bilijana Novakovic, M.D. '94  
Assistant Professor of Pediatrics, Georgetown University Hospital
- \*Mahendra Patel, M.D. '94  
Assistant Professor of Pediatrics, Uniformed Services University of the  
Health Sciences
- \*Jeffrey A. Toretsky, M.D. '94  
Assistant Professor, Department of Pediatrics and Program in Oncology,  
University of Maryland
- \*Michael Weintraub, M.D. '94  
Research Assistant Professor of Pediatrics, Uniformed Services  
University of the Health Sciences
- \*Shai Israeli, M.D. '95  
Assistant Professor, Haddasah Medical School
- \*Theodor Schulte, M.D. '95  
Research Fellow, Medicine Branch, National Cancer Institute

\*Ashok Raj, M.D. '95  
Research Fellow, Lymphoma Biology Section, Pediatric Branch,  
National Cancer Institute

\*†Jon Wigginton, M.D. '95  
Research Fellow, Frederick Cancer Research Center & Pediatric Branch,  
National Cancer Institute

\*Brigitte Widemann, M.D. '95  
Research Fellow, Pharmacology & Experimental Therapeutics Section,  
Pediatric Branch, National Cancer Institute

Individuals I have mentored as Chief Residents at Children's Hospital during my Tenure in Boston

- 1996-1997      Lauren Smith, M.D., currently Director, In-Patient Unit at Boston Medical Center, Boston  
Gregory Priebe, M.D., currently Fellow in Infectious Diseases and Critical Care Medicine, Children's Hospital, Boston
- 1997-1998      Laurie Armsby, M.D., currently Fellow in Cardiology, Children's Hospital, Boston  
David Weinstein, M.D., currently Fellow in Endocrinology, Children's Hospital, Boston
- 1998-1999      Sarah Wood, M.D., currently in Pediatric Practice, Longwood Medical Associates, Boston  
Ian Davis, M.D., currently Fellow in Hematology/Oncology, Children's Hospital, Boston
- 1999-2000      Andrew Koh, M.D., currently Fellow in Infectious Diseases and Hematology/Oncology, Children's Hospital, Boston  
Lawrence Rhein, M.D., currently Fellow in Pulmonary Medicine and Newborn Medicine, Children's Hospital, Boston
- 2000-2001      Kelly Cant-Wade, M.D. will begin Fellowship in Neonatology, Children's Hospital of Philadelphia, July, 2001  
Thomas Sandora, M.D. will begin Fellowship in Infectious Disease, Children's Hospital, Boston

Other Mentees in Boston

Sarah Alexander, M.D., currently Instructor in Pediatrics, Harvard Medical School
