Empowering youth to shape the future of mental health

Stanford Mental Health Innovation Challenge

Li Ka Shing Center, Stanford University

8am-6pm - June 24-25, 2017

An event for incoming San Mateo and Santa Clara County 10th-12th graders to better understand the mental health challenges that affect our communities and develop innovative ideas to tackle these issues.

Apply by April 10th! For more information, go to smhic.com
