Stefan Heller, PhD
9:40 – 10:00
Patient
8:40 – 9:10
Blevins, Jackler, Minor
Breakfast
7:00 – 8:00
Thursday November 6, 2014
Fitzgerald
Irving, Gurgel, Popelka, Hegarty, Sweetow, Swanson,
Sensorineural Hearing Loss
Oghalai, Chang, Cheng, Mudry, Dryanski
Pediatric Otology
Jackler, Niparko, Selesnick, Driscoll, Maw
Challenges in Chronic Ear Surgery
Sajjadi, Monfared, Sevy, Corrales, Pfister
Otologic Endoscopy and OCR – Hands On
Otologic Surgical Anatomy – Interactive Session
Lunch
Breakout Sessions
8:30 – 10:00
Panelists: Colin Driscoll, MD, Washington, DC
Talal Eisa, MD, Alexandria, Va
John Oghalai, MD, San Francisco, CA
Anh Nguyen-Huynh, MD, Baltimore, MD
Humayun Moghaddam, MD, San Francisco, CA
Jason Knochel, MD, Cleveland, OH
Recent Advances in the Etiology of COCHLEAR IMPLANTS
Impact of Cochlear Implants on Speech Perception and Communication
Moderator: John Oghalai, MD
Saturday November 8, 2014
Continental Breakfast
7:15 – 8:00
PM SESSION
Moderator: Colin Driscoll, MD
4:00 – 4:40
Acoustic Neurama Decision Making: What Matters to Patients?
Stefan S. Rauch, MD
4:40 – 5:00
Neuropathies of the Ear and Temporal Bone
John Oghalai, MD
5:00 – 5:30
Sudden Sensorineural Hearing Loss
Stefan S. Rauch, MD
7:00 – 8:00
Registration and Continental Breakfast
AM SESSION
Moderator: Robert Jackler, MD
8:00 – 9:00
Greeting and Announcements
Bevlie, Jackler, Minor
8:10 – 8:40
Surgery for Chylothorax
Blevins, Niparko, Nguyen-Huynh
8:45 – 9:15
Practical Evaluation of the Dizzy Patient
Richard Irving, MD
9:00 – 10:00
New Tools in Hair Cell Regeneration:
Treatment of Vestibular Disorders
Methodologies
Melvin Fitzgerald, Ph.D.
Associate Professor, University of Calgary
Chair, Department of Bioengineering
Professor, University of Toronto
2:30 – 2:50

Challenges in Cochlear Implantation
Nikolas Blevins, MD, San Antonio, TX
Anh Nguyen-Huynh, MD, Baltimore, MD
Lea M. Sorg, MD, Boston, MA
Innovations in Cochlear Implantation
Moderator: Peter Rigby, MD
8:50 – 9:40
Panel: Current Indications and Challenges in Cochlear Implantation
Moderator: Stephen Dryanski, MD
Lausanne, Switzerland
9:30 – 10:00
Panel: Current Indications and Challenges in Cochlear Implantation
Moderator: Andrew S. Niparko, MD
Rochester, MN
10:10 – 11:10
Panel: Current Indications and Challenges in Cochlear Implantation
Moderator: Ashkan Monfared, MD
Birmingham, United Kingdom
12:30 – 1:00
Panel: Current Indications and Challenges in Cochlear Implantation
Moderator: Samuel Selesnick, MD
San Francisco, CA
12:00 – 1:00
Panel: Current Indications and Challenges in Cochlear Implantation
Moderator: Colin Driscoll, MD
Washington, DC
3:10 – 4:10
Panel: Current Indications and Challenges in Cochlear Implantation
Moderator: Richard Irving, MD
Rochester, MN
4:20 – 5:20
Panel: Current Indications and Challenges in Cochlear Implantation
Moderator: Samuel Selesnick, MD
San Francisco, CA
5:30 – 6:30
Panel: Current Indications and Challenges in Cochlear Implantation
Moderator: Samuel Selesnick, MD
San Francisco, CA
1:30 – 1:50
Panel: Current Indications and Challenges in Cochlear Implantation
Moderator: Samuel Selesnick, MD
San Francisco, CA
2:00 – 2:20
Panel: Current Indications and Challenges in Cochlear Implantation
Moderator: Samuel Selesnick, MD
San Francisco, CA
3:00 – 3:20
Panel: Current Indications and Challenges in Cochlear Implantation
Moderator: Samuel Selesnick, MD
San Francisco, CA
4:40 – 4:00
Panel: Current Indications and Challenges in Cochlear Implantation
Moderator: Samuel Selesnick, MD
San Francisco, CA
