9TH ANNUAL CARDIOLOGY FOR THE PRIMARY CARE PRACTITIONER

October 3, 2015 — 8:00 am to 1:00 pm
Li Ka Shing Center for Learning and Knowledge, Stanford, CA

A Continuing Medical Education Conference presented by the Division of Cardiovascular Medicine at Stanford University School of Medicine and Stanford Health Care

PROGRAM (subject to change)

7:00-8:00 am  Registration and Light Breakfast
8:00-8:10 am  Welcome & Announcements
              David P. Lee, MD
8:10-8:40 am  EKG Review
              Paul J. Wang, MD
8:40-8:45 am  Q&A
8:45-9:15 am  Anti-Xa Inhibitors in AF: Which and When?
              Paul J. Wang, MD
9:15-9:20 am  Q&A
9:20-9:50 am  DAPT Duration After Stenting: How Long?
              David P. Lee, MD
9:50-9:55 am  Q&A
9:55-10:05 am Break
10:05-10:35 am The Watchman Device: A New Frontier in AF?
               David P. Lee, MD
10:35-10:40 am Q&A
10:40-11:10 am Behavioral Cardiology
               Katherine Sears Edwards, PhD
11:10-11:15 am Q&A
11:15-11:45 am Nutritional Supplements in Cardiology
               Joshua W. Knowles, MD
11:45-11:50 am Q&A
11:50-12:15 pm Lunch
12:15-12:45 pm The Promise of Personal Devices in Healthcare
               Michael V. McConnell, MD
12:45-1:00 pm Q&A/Comments
1:00 pm Adjourn

FACULTY

All faculty are affiliated with Stanford University School of Medicine unless otherwise noted.

David P. Lee, MD
Associate Professor of Medicine (Cardiovascular) Director, Cardiac Catheterization and Coronary Intervention Laboratories
Director, Interventional Cardiology Fellowship Program
Course Director & Moderator

Joshua W. Knowles, MD
Assistant Professor of Medicine (Cardiovascular)

Terence Lin, MD, FACC, FSCAI
Interventional Cardiologist
Palo Alto Medical Foundation
Course Content Validation Reviewer

Katherine Sears Edwards, PhD
Clinical Instructor of Medicine (Cardiovascular) and, by courtesy, Psychiatry and Behavioral Sciences

Paul J. Wang, MD
Professor of Medicine (Cardiovascular) and, by courtesy, of Bioengineering

Faculty Disclosure
The Stanford University School of Medicine adheres to ACCME Essential Areas, Standards, and Policies regarding industry support of continuing medical education. Disclosure of faculty and commercial relationships will be made prior to the activity.

Michael V. McConnell, MD
Professor of Medicine (Cardiovascular) and, by courtesy, of Molecular and Cellular Physiology and of Electrical Engineering

9TH ANNUAL CARDIOLOGY FOR THE PRIMARY CARE PRACTITIONER
October 3, 2015 – Li Ka Shing Center for Learning and Knowledge, Stanford, CA

STATEMENT OF NEED
This CME activity seeks to fulfill the educational needs of primary care practitioners who manage patients with heart disease. The goal of the conference is to address identified clinical challenges, to update practitioners on the latest advances and best practices in cardiac care, and to assist practitioners in developing strategies to apply this knowledge to the diagnosis, treatment and/or referral of patients with Cardiovascular Disease. Lectures with question and answer sessions will afford learners the opportunity to discuss practice dilemmas with the expert faculty.

TARGET AUDIENCE
This regional conference is intended to meet the specialty and subspecialty needs of internists, family physicians, primary care practitioners, cardiologists, nurses, and other interested allied health professionals.

LEARNING OBJECTIVES
At the conclusion of the activity, learners will be able to:
• Apply evidence based recommendations in using newer diagnostic and treatment for:
  • Ordering and/or interpreting EKG to obtain accurate etiological diagnoses and prognoses
  • Identifying the current indications for anti-Xa inhibitor use and determine the advantages and disadvantages between warfarin and anti-Xa inhibitors for AF
  • Determining the appropriate duration of dual antiplatelet therapy (DAPT) after coronary stenting
Assess and implement the devices for managing patients with AF, including:
• The use of the Watchman device as an alternative to anticoagulants for stroke prevention in AF
• Assessing the limitations and advantages of data collection with electronic medical devices and implement them to improve healthcare maintenance and delivery
Consider alternative treatments in managing patients with cardiac risk by:
• Assessing and identifying patients who would benefit from a referral to the behavior cardiology service
• Discerning potentially useful (vs. harmful) supplements patients are taking and counsel according to the evidence

ACCREDITATION
The Stanford University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

CREDIT DESIGNATION
Stanford University School of Medicine designates this live activity for a maximum of 4.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
The California Board of Registered Nursing recognizes that Continuing Medical Education (CME) is acceptable for meeting RN continuing education requirements, as long as the course is certified for AMA PRA Category 1 Credit(s)™ (m.ca.gov). Nurses will receive a Certificate of Attendance following this activity that may be used for license renewal.

REGISTRATION
9TH ANNUAL CARDIOLOGY FOR THE PRIMARY CARE PRACTITIONER
October 3, 2015
Registration fee includes continental breakfast, lunch, course materials and certificate of attendance.
Register online by visiting http://cme.stanford.edu/cardiopcp. Our online registration process requires the use of MasterCard or Visa in order to complete registration. Registrations are confirmed with a confirmation number on the screen and via e-mail immediately following your online registration. Please print a copy of your confirmation for your records. If you prefer to pay by check, please call (650) 497-8554 for assistance.

ALL PRACTITIONERS REGISTRATION FEE: $120

CANCELLATION POLICY
Cancellations received in writing before September 18, 2015 will be refunded, less a $50 administrative fee. No refunds will be made on cancellations received after that date. Please send cancellation requests to stanfordcme@stanford.edu. Stanford University School of Medicine reserves the right to cancel this program; in the event of cancellation, course fees will be fully refunded.

CONFERENCE LOCATION
Li Ka Shing Center for Learning and Knowledge
291 Campus Drive, 2nd Floor
Stanford, CA 94305
http://lksc.stanford.edu/

ACCOMMODATIONS
Nearby Hotels with free shuttle to campus: Sheraton (650) 328-2800; Westin (650) 321-4422. Please contact the hotel directly to secure a reservation.

QUESTIONS
For questions about the conference or registration, please contact Yolanda Cervantes, CME Conference Coordinator at (650) 724-9549 or email ycervant@stanford.edu.

Stanford Center for Continuing Medical Education
1070 Arastradero Road, Suite 230 • Palo Alto, CA 94304
Phone: (650) 497-8554 • Email: stanfordcme@stanford.edu
