(Program subject to change)

All faculty members are affiliated with Stanford University School of Medicine and Lucile Packard Children's Hospital Stanford.

Faculty Disclosure: Stanford University School of Medicine adheres to the Accreditation Council for Continuing Medical Education (ACCME) Essential Areas, Standards and Policies regarding industry support of continuing medical education.Disclosure of faculty and commercial relationships will be made prior to the activity.
COURSE OVERVIEW
Pediatricians and family physicians need to stay current with clinical advances in the care of infants, children and adolescents. The goal of this course is to provide up-to-date information in pediatric endocrinology, dermatology, otolaryngology, allergy, orthopedics and rheumatology. Autism and relevant issues in pediatric surgery will also be presented. Interactive learning formats will be utilized to engage the learners in the educational experience. The course is designed to change learner competence and performance in practice.

COURSE OBJECTIVES
• Evaluate and apply evidence based screening, diagnosis and/or management strategies for pediatric patients presenting with the following conditions in order to improve quality of care:
  – Insulin resistance and Type 2 diabetes mellitus
  – Atopic dermatitis
  – ENT conditions
  – Food allergies
  – Lower extremity injury or joint pain
  – Autism
• Evaluate the research on anesthesia risks for children under 3 years of age
• Identify which chest wall deformities require referral for surgery

INTENDED AUDIENCE
This activity is intended for pediatricians, family physicians, primary care physicians, nurse practitioners, nurses and interested allied health professionals who provide care for children and adolescents.

ACCREDITATION AND DESIGNATION OF CREDITS
Stanford University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Stanford University School of Medicine designates this live activity for a maximum of 6.0 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: The California Board of Registered Nursing recognizes that Continuing Medical Education (CME) is acceptable for meeting RN continuing education requirements, as long as the course is certified for AMA PRA Category 1 Credit(s)™ (rn.ca.gov). Nurses will receive a Certificate of Attendance following this activity that may be used for license renewal.

REGISTRATION FORM
