Neuroendocrine Tumors in 2017: New Diagnostics and Therapies

A Continuing Medical Education Conference Presented by the Division of Oncology at the Stanford University School of Medicine

Program

7:00 - 8:00  Registration and Light Breakfast
8:00 - 8:10  Welcome and Announcements
Pamela L. Kunz, MD and Andrei Iagaru, MD
8:10 - 8:30  NETs 101: Nomenclature, Pathology, and Epidemiology
Pamela L. Kunz, MD
8:30 - 8:50  The Role of Cross-Sectional Imaging in NETs
Pejman Ghanouni, MD PhD
8:50 - 9:10  Octreoscan and 68Ga DOTA TATE PET/CT
Andrei Iagaru, MD
9:10 - 9:30  Q&A
All
9:30 - 9:50  Break
9:50 - 10:10  Treatment for Hormone Control
Tyler Johnson, MD
10:10 - 10:20  Treatment for Tumor Control
George Fisher, MD PhD
10:20 - 10:40  Peptide Receptor Radionuclide Therapy (PRRT)
Guido Davidzon, MD MS
10:40 - 11:00  Q&A
All
11:00 - 11:50  Case Presentations
Moderated by George Fisher, all faculty on panel
11:50  Closing Remarks
Pamela L. Kunz, MD and Andrei Iagaru, MD
12:00  Adjourn

Opportunities for Q&A will be provided at the conclusion of each presentation.

Faculty

All faculty are with the Stanford University School of Medicine unless otherwise noted.

Course Director:
Pamela L. Kunz, MD
Assistant Professor of Medicine (Oncology)

Course Co-Director:
Andrei Iagaru, MD, FACNM
Associate Professor of Radiology (Nuclear Medicine)

Stanford Faculty:
Guido Davidzon, MD, PhD
Clinical Assistant Professor of Radiology (Nuclear Medicine)
George A. Fisher, MD, PhD
Professor of Medicine (Oncology)
Pejman Ghanouni, MD, PhD
Assistant Professor of Radiology (General Radiology)
Tyler Johnson, MD
Clinical Assistant Professor of Medicine (Oncology)

Faculty Disclosure
The Stanford University School of Medicine adheres to ACCME Criteria, Standards and Policies regarding industry support of continuing medical education. Disclosure of faculty and their commercial relationships will be made prior to the activity.

November 18, 2017
8:00 AM - 12:00 PM
Li Ka Shing Center for Learning and Knowledge
Stanford, California

Sponsored by the Stanford University School of Medicine
Conference Information

STATEMENT OF NEED
Over the past several decades, the incidence of neuroendocrine tumors (NETs) has sharply increased. The selection of initial and subsequent therapies requires careful consideration of both tumor and treatment characteristics. This CME conference seeks to fulfill the need in the Endocrinology, Hematology, Medical Oncology, Surgical Oncology, and Nuclear Radiology community to increase and improve the fund of knowledge concerning updates on guidelines and best practice recommendations to appropriately assess, treat, manage and incorporate multidisciplinary care for patients with Neuroendocrine Tumors (NETs). The conference will utilize lectures, case studies, panel discussions, and interactive tools to engage the learners.

TARGET AUDIENCE (Who Should Attend)
This is a national program, designed for physicians in the following specialties:
• Oncology
• Radiology
• Endocrinology
• Hematology
• Medical Oncology
• Surgical Oncology
• Nuclear Radiology

LEARNING OBJECTIVES
At the conclusion of this activity, learners will be able to:
• Review basics of NET nomenclature, pathology, and epidemiology in order to select appropriate therapies
• Evaluate the various imaging modalities available to NET patients and consider strengths and limitations to each for appropriate diagnosis and surveillance
• Evaluate existing and new treatment options for patients with NETs and develop an approach to initiate and sequence treatment that integrates pathology and diagnostics

ACCREDITATION
The Stanford University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

CREDIT DESIGNATION
The Stanford University School of Medicine designates this live activity for a maximum of 3.50 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

COMMERCIAL SUPPORT ACKNOWLEDGEMENT
This CME activity is supported in part by educational grants. A complete list of commercial supporters will be published in the course syllabus.

REGISTRATION
Registration fee includes course materials, certificate of participation, and breakfast.
Register online with a Visa or Master Card by visiting cme.stanford.edu/nets. If you prefer to pay by check or need assistance, please call (650) 497-8554 or email stanfordcme@stanford.edu. Be sure to register with an email address that you check frequently. Your email address is used for critical information, including registration confirmation, evaluation, and certificate.

ATTENDEE TYPE  FEE
Physicians  $125

CANCELLATION POLICY
Cancellations received in writing no less than 30 days before the course will be refunded, less a 20% administrative fee. No refunds will be made on cancellations received after that date. Please send cancellation requests to stanfordcme@stanford.edu.

Stanford University School of Medicine reserves the right to cancel this program; in the event of cancellation, course fees will be fully refunded.

CONFERENCE LOCATION
Li Ka Shing Center for Learning and Knowledge
291 Campus Drive, 2nd Floor Conference Center
Stanford, California 94305
conferencecenter.stanford.edu

ACCOMMODATIONS
Hotels nearby campus:
Sheraton Palo Alto Hotel (650) 328-2800; The Westin Palo Alto (650) 321-4422.
Please contact the hotel directly to secure a reservation.

CONTACT INFORMATION
For questions about the symposium, please contact Debbie Aube, CME Conference Coordinator, (650) 724-5318 or email debaube@stanford.edu.

Stanford Center for Continuing Medical Education
1520 Page Mill Road, Palo Alto, CA 94304
Phone: (650) 497-8554 • Email: stanfordcme@stanford.edu • Web: cme.stanford.edu

Stanford University School of Medicine is committed to ensuring that its programs, services, goods and facilities are accessible to individuals with disabilities as specified under Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Amendments Act of 2008. If you have needs that require special accommodations, including dietary concerns, please contact the CME Conference Coordinator.
