Message from the Course Director

Dear Colleagues,

Welcome to CARDIA 2018! We are so excited that you are able to join us on the sunny Stanford campus to learn more about Inherited Cardiovascular Disease, and Sudden Death. We have lined up an amazing program of national and international speakers who will give you practice-focused summaries of the state of the art in the field, as well as a glimpse into what we can expect on the near horizon. We hope you will find time at the breaks to catch up with old friends, make some new acquaintances, and continue learning. I look forward to meeting you!

Sincerely,

Euan Ashley FRCP, DPhil, FACC

Conference Information

Statement of Need

This conference seeks to fulfill the need among clinicians, nurses, and genetic counselors who treat and/or refer patients with cardiac conditions to increase and improve the fund of knowledge as well as procedural skill set for the prevention of sudden death, treatment of inherited cardiovascular disease, and cardiovascular care of the trained athlete. The workshop will utilize lectures, breakout tracks by specialty, interdisciplinary sessions, and case-based learning.

Target Audience

This national conference is designed to meet the needs of Physicians, Nurses, Genetic Counselors, and other Allied Health Professionals specializing in:

- Cardiology
- Primary Care
- Family Practice
- Internal Medicine
- Pediatrics
- Electrophysiology

Learning Objectives

At the conclusion of this activity, participants should be able to:

- Apply updated American College of Cardiology (ACC) and American Heart Association (AHA) guidelines for:
 - Diagnosing and managing patients with hypertrophic cardiomyopathy
 - The use of genetic testing for the diagnosis and management of inherited cardiovascular disease
- Develop a strategy to evaluate and provide preventive treatment for patients and athletes within sports cardiology with conditions known to be associated with sudden cardiac death
- Apply 2015 American Heart Association (AHA) and European Atherosclerosis Society (EAS) pediatric guidelines for diagnosing and managing patients with Familial Hypercholesterolemia, Marfan Syndrome and other aortic disorders
- Apply 2017 ACC/AHA/HRS guidelines for the evaluation and management of patients with syncope and familial cardiac arrhythmias

Accreditation

The Stanford University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation

Stanford University School of Medicine designates this live activity for a maximum of **11.50 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The California Board of Registered Nursing recognizes that Continuing Medical Education (CME) is acceptable for meeting RN continuing education requirements; as long as the course is certified for *AMA PRA Category 1 Credits™* (rn.ca.gov). Nurses will receive a Certificate of Attendance following this activity that may be used for license renewal.
