Stanford Interstitial Lung Disease Symposium:
An Image-Centered Approach to Early Diagnosis and Treatment

Saturday, February 10, 2018 • 7:30AM – 4:30PM
San Jose Marriott
301 South Market Street, San Jose, CA

A Continuing Medical Education Conference presented by the Department of Medicine, Division of Pulmonary and Critical Care at the Stanford University School of Medicine

Program (subject to change)

SATURDAY, FEBRUARY 10, 2018
7:30-8:00 am  Registration & Continental Breakfast
8:00-8:05  Welcome and Announcements
Rishi Raj, MD
8:05-8:30  A Practical and Guideline-Based Approach to Evaluating ILD in the Clinic
Rishi Raj, MD
8:30-9:00  Diagnosis of ILDs: Approach to Serologic Testing and Rheumatology Referral in Patients Without Definite Signs or Symptoms of CTDs
Yashaar Chaichian, MD
9:00-10:00  Keynote Lecture: Radiologic Diagnosis of Fibrosing Interstitial Pneumonias
David Lynch, MB
10:00-10:15  Break
10:15-11:00  Radiologic Diagnosis of Non-Fibrosing Interstitial Pneumonias
Haiwei Henry Guo, MD, PhD
11:00-11:30  Tissue Diagnosis in ILDs: Transbronchial, Cryobiopsy or VATS – The Evidence and Indications
Rishi Raj, MD
11:30-12:00  When HP Turns into UIP and other Tissue Tips
Gerald Berry, MD
12:00-1:00 pm  Lunch
1:00-1:30  Anti-Fibrotic Therapy: Patient Selection, Management Challenges and Future Directions
Joshua Mooney, MD, MS
1:30-2:00  Early Comprehensive Non-Pharmacologic Treatment: Oxygen, Pulmonary Rehab, Education and Support Groups, Clinical Trials, and Palliative Care
Susan Jacobs, RN, MS
2:00-2:30  Lung Transplant for ILD: Who to Refer and When
Joshua Mooney, MD, MS
2:30-2:45  Break
2:45-3:45  Panel Discussion: An Interactive Multidisciplinary Case-Based Discussion: Common ILD Diagnostic and Therapeutic Dilemmas
Rishi Raj, MD; David Lynch, MB; Joshua Mooney, MD, MS; Gerald Berry, MD; Yashaar Chaichian, MD; Tushar Desai, MD, MPH; Haiwei Henry Guo, MD, PhD; Susan Jacobs, RN, MS
3:45-4:15  Stem Cells and the Lung: Are We Ready?
Tushar Desai, MD, MPH
4:15-4:30  Adjourn

Opportunities for Q & A will be provided at the conclusion of each presentation.

Faculty

KEYNOTE LECTURER
David Lynch, MB
Professor, Department of Radiology
National Jewish Health Colorado
Denver, Colorado

COURSE DIRECTOR
Rishi Raj, MD
Clinical Professor of Medicine
Pulmonary and Critical Care Medicine

COURSE CO-DIRECTOR
Joshua Mooney, MD, MS
Clinical Assistant Professor of Medicine
Pulmonary and Critical Care Medicine

STANFORD FACULTY
Gerald Berry, MD
Professor of Pathology
Department of Pathology

Yashaar Chaichian, MD
Clinical Assistant Professor of Medicine
Immunology and Rheumatology

Tushar Desai MD, MPH
Assistant Professor of Medicine
Pulmonary and Critical Care Medicine

Haiwei Henry Guo, MD, PhD
Clinical Assistant Professor
Radiology and Thoracic Imaging

Susan Jacobs RN, MS
Research Nurse Coordinator
Pulmonary and Critical Care Medicine

FACULTY DISCLOSURE
The Stanford University School of Medicine adheres to ACCME Criteria, Standards and Policies regarding industry support of continuing medical education. Disclosure of faculty and their commercial relationships will be made prior to the activity.

COMMERCIAL SUPPORT
This CME activity is supported in part by educational grants. A complete list of commercial supporters will be published in the course syllabus.
 Stanford Interstitial Lung Disease Symposium:
An Image-Centered Approach to Early Diagnosis and Treatment
Saturday, February 10, 2018 • 7:30AM – 4:30PM

Conference Information

STATEMENT OF NEED
This CME event led by the Stanford Division of Pulmonary and Critical Care seeks to fulfill the need of practicing pulmonologists, primary care physicians, advanced-practice providers, and allied health care practitioners in the academic and community settings to achieve an accurate diagnosis and implement a comprehensive treatment plan for patients with interstitial lung disease. A team of multidisciplinary experts will address common challenges in radiographic interpretation, diagnostic testing and classification, and disease management. The goal of the symposium is to improve the delivery of early appropriate, and comprehensive care to the patient with the interstitial lung disease.

TARGET AUDIENCE
This local and regional conference is designed to meet the educational needs of physicians, physician assistants, nurses, nurse practitioners, and other health care professionals.

LEARNING OBJECTIVES
At the conclusion of this activity, participants should be able to:

• List critical findings in the history and physical exam specific to interstitial lung disease (ILD) patients
• Describe serologic tests indicated for different populations of ILD patients with or without rheumatologic symptoms
• Manage patients using diagnostic criteria outlined in the ATS ILD Guidelines
• Use anti-fibrotic therapy for appropriate patients and develop comprehensive multidisciplinary management strategies
• Utilize radiologic algorithms and classification criteria for fibrosing and nonfibrosing interstitial pneumonias
• Determine the role of lung biopsy in the diagnosis of ILDs including patient selection, modality of biopsy, and risk/benefit analysis
• Identify non-pharmacologic treatments to provide for ILD patients at their first clinic visit
• Explain the criteria and timing for the referral of an ILD patient for a lung transplant evaluation
• Describe the current status of stem cell research related to ILDs

ACCREDITATION
The Stanford University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

CREDIT DESIGNATION
The Stanford University School of Medicine designates this live activity for a maximum of 6.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The California Board of Registered Nursing recognizes that Continuing Medical Education (CME) is acceptable for meeting RN continuing education requirements as long as the course is certified for AMA PRA Category 1 Credit™ (rn.ca.gov). Nurses will receive a Certificate of Participation following this activity that may be used for license renewal.

REGISTRATION
Register online with Visa or Master Card by visiting cme.stanford.edu/ILD. If you prefer to pay by check or need assistance, please call (650) 497-8554 or email stanfordcme@stanford.edu. Be sure to register with an email address that you check frequently. Your email address is used for critical information, including registration confirmation, evaluation, and certificate. Registration fee includes course materials, certificate of participation, breakfast and lunch.

ATTENDEE TYPE Fees Fees
Physicians 
Physician Assistants, Nurses, Nurse Practitioners, 
Allied Health Professionals 
(650) 274-2288 or email rjackson@stanford.edu

CANCELLATION POLICY
Cancellations received in writing no less than 30 days before the course will be refunded, less a 20% administrative fee. No refunds will be made on cancellations received after this date. Please send cancellation requests to stanfordcme@stanford.edu.

Stanford University School of Medicine reserves the right to cancel this program; in the event of cancellation, course fees will be fully refunded.

CONFERENCE LOCATION
San Jose Marriott
301 South Market Street, San Jose, CA 95113
Phone: (408) 280-1300 • www.marriott.com/hotels/travel/sjcsj-san-jose-marriott/

ACCOMMODATIONS
A limited block of rooms has been reserved at the San Jose Marriott for conference participants at a special reduced rate on a first-come, first-served basis and may sell out before January 1, 2018. Reservations will be accepted on a space available basis and at regular resort rates.

ROOM TYPE (Friday, 2/9/18) Run of House (Single/Double)
(650) 497-8554 • Email: stanfordcme@stanford.edu • Web: cme.stanford.edu

CME Conference Coordinator, (650) 274-2288 or email rjackson@stanford.edu

A limited block of rooms has been reserved at the San Jose Marriott for conference participants at a special reduced rate on a first-come, first-served basis and may sell out before January 1, 2018. Reservations will be accepted on a space available basis and at regular resort rates.

Room reservations should be made directly with the San Jose Marriott and as early as possible. Please mention “Stanford Medicine, Continuing Medical Education Interstitial Lung” to receive the group rate. Please call the hotel directly at 1-866-238-4218 or make your room request to http://www.marriott.com/hotels/travel/sjcsj-san-jose-marriott/

HOTEL CONFERENCE PARKING
Valet Parking $34.00. Self Parking, San Jose Convention Center $20.00

DIRECTIONS
For driving direction and maps to the San Jose Marriott, please visit http://www.marriott.com/hotels/travel/sjcsj-san-jose-marriott/

CONTACT INFORMATION
For questions about the symposium, please contact Rodney Jackson, CME Conference Coordinator, (650) 274-2288 or email rjackson@stanford.edu

 Stanford Center for Continuing Medical Education
1520 Page Mill Road, Palo Alto, CA 94304
Phone: (650) 497-8554 • Email: stanfordcme@stanford.edu • Web: cme.stanford.edu

Stanford University School of Medicine is committed to ensuring that its programs, services, goods and facilities are accessible to individuals with disabilities as specified under Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Amendments Act of 2008. If you have needs that require special accommodations, including dietary concerns, please contact the CME Conference Coordinator.

Please register early – space is limited • Register online at cme.stanford.edu/ILD
