Popular Pediatric Clinical Topics 2018

October 16-19, 2018
Fairmont Kea Lani
Wailea, HI

A Continuing Medical Education Conference presented by the Department of Pediatrics at the Stanford University School of Medicine and Lucile Packard Children’s Hospital Stanford

Sponsored by the Stanford University School of Medicine
Statement of Need
The ever-increasing amount of new biomedical information requires pediatric and family physicians to obtain comprehensive, up-to-date information on a wide range of clinical issues encountered in daily practice. The Popular Pediatric Clinical Topics 2018 course will highlight recent advances in pediatrics presented by a variety of clinical faculty covering such topics as: body shaming, adolescent substance abuse, new technologies in the treatment of diabetes, adolescent male genitourinary health, caring for the transgender child or adolescent in your practice, the current approach for pre-athletic screening for cardiac disease, treatment of headaches, update on pediatric vaccines and the Zika virus, mindfulness in improving patient care and many more. This course is presented in a mini-seminar format with cases, Q&A and time for interaction with the faculty.

Learning Objectives:
At the conclusion of this activity, learners will be able to:
• Incorporate updated standards of care for transgender and gender non-conforming adolescents and children in order to identify and address the transgender patient’s medical needs.
• Evaluate the pediatric patient with Type 1 diabetes and his/her family’s adherence to self-management before prescribing glucose-monitoring technology.
• Develop strategies to manage pediatric patients diagnosed with enuresis.
• Manage the diagnosis and treatment of patients with the Zika virus according to the CDC guidelines.
• Develop skills in a variety of mindfulness methods that elicit the relaxation response and determine how to share this practice with children and young adults.
• Utilize the current approach for pre-athletic screening for cardiac disease into clinical practice.
• Recognize how lifestyle modification builds resiliency and improves physician performance.

Target Audience
This national program is designed for pediatricians, family physicians, physician assistants, nurse practitioners, nurses and allied health professionals who care for infants, children and adolescents.
Conference Location
Fairmont Kea Lani
808-875-4100
4100 Wailea Alanui Drive
Wailea, HI

These rates are valid for single or double occupancy and subject to the Transient Accommodation Tax of 10.25%, State Tax of 4.166% and Resort Fee of $20 per night. Each extra person beyond double occupancy sharing a suite will be charged an additional $50 per adult, per night. There will be no charge for children up to and including the age of 18 years who share with their parents. Maximum occupancy per suite is 2 adults/4 persons. Please note that the hotel cannot guarantee specific suite numbers, specific suite location (tower or floor) or bedding type (king bed or two double beds). The above rates are subject to mandatory charges: an additional $12 (subject to change) per person plus applicable tax charge to cover roundtrip porterage and $3 (subject to change) per suite, per day plus applicable tax charge and $11 (subject to change) per villa, per day plus applicable tax charge for housekeeping services. Room reservations should be made directly with the Fairmont Kea Lani by calling 800-441-1414, please mention “Lucile Packard Children’s Hospital Stanford” to receive the group rate. All reservations require a two (2) nights deposit plus taxes.

Conference Materials
The syllabus will be transmitted electronically prior to the course. Access to the materials will be emailed to all registrants two weeks before the conference for downloading or printing.

Cancellation and Refund Policy
Registration fees, less a $50.00 administrative charge, are refundable if written cancellation is received prior to September 25, 2018. No refunds will be given for cancellations received after this date or for conference non-attendance. We reserve the right to cancel or postpone any activity if necessary. In such case, full refund of registration fees will be given. We are not responsible for other costs incurred such as non-refundable airline tickets or hotel penalties.

Special Needs
Lucile Packard Children’s Hospital Stanford is committed to making its activities accessible to all individuals. If you have needs that require special accommodations, including dietary concerns, please call the continuing medical education department at (650) 498-6757 before October 1, 2018.

Accreditation and Designation of Credits
The Stanford University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The Stanford University School of Medicine designates this live activity for a maximum of 16.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: The California Board of Registered Nursing recognizes that Continuing Medical Education (CME) is acceptable for meeting RN continuing education requirements as long as the course is certified for AMA PRA Category 1 Credit™ (rn.ca.gov). Nurses will receive a Certificate of Participation following this activity that may be used for license renewal.

Commercial Support Acknowledgement
This CME activity received no commercial support.
