

Anne L. Peters, MD
Professor of Clinical Medicine
University of Southern California

Anne L. Peters, MD, is a professor of clinical medicine at the Keck School of Medicine of the University of Southern California and the Director of the USC Clinical Diabetes Programs. She runs diabetes centers in Beverly Hills and in underserved East Los Angeles. In addition to her clinical work, she has been a PI on multiple grants and has written over 200 articles and 4 books. She has been on multiple guideline writing committees for both type 1 and type 2 diabetes. Her major interests involve translating research findings, from lifestyle interventions to technology, to people with diabetes throughout the socioeconomic spectrum. She lives between Los Angeles and Montana.
