

Jay Shubrook, DO, FAAFP, FACOFP

Professor and Diabetologist  
Touro University California

Jay Shubrook, DO, FAAFP, FACOFP is a Board Certified Family Physician and Fellowship trained Diabetologist. He serves as a Professor in the Primary Care Department at Touro University California College of Osteopathic Medicine. He also serves as the Director for Clinical Research and the Director of Diabetes Service at this institution. His clinical and research focus is the early intervention and treatment of type 2 diabetes, and better training the primary care workforce to manage chronic diseases such as diabetes. He serves on the American Diabetes Association Primary Care Advisory Group and is an Associate Editor for Clinical Diabetes and for the Journal of the American Osteopathic Association. He has published more than 100 papers in peer reviewed journals focused on this interface of diabetes management and primary care.
