

Magdalena Ford, RN, MSN, FNP-C, CDE

Nurse Practitioner
Stanford Health Care

Magdalena Ford is a family nurse practitioner and certified diabetes educator at Stanford Health Care's endocrinology clinic. She originally studied biological sciences and music at UC Davis and afterwards, graduated from Samuel Merritt University with an accelerated bachelor of science in nursing degree. Prior to pursuing her master of science in nursing from San Francisco State University, she worked as an inpatient transplant clinical nurse. She joined Stanford Health Care's endocrinology team in 2019.
