California ECHO COVID-19 Action Network

Register today to join a weekly ECHO session with your peers to advance improvements in COVID-19 preparedness, safety, and infection control. All provider settings and partners are welcome to attend. ECHO sessions are facilitated by HSAG and Stanford, and provide an opportunity for providers to learn together, share best practices, and discuss challenges related to COVID-19 in a collaborative environment.

**Weekly ECHO Topics**

- Ongoing COVID-19 Identification and Treatment
- Post-Vaccination Practices
- Emotional and Organizational Support for Staff
- Vaccination and Testing
- Addressing the Needs of Patients and Families
- Leadership Practices and Behaviors to Support Teams
- Stopping the Spread: Sustainable Infection Prevention

**Your Commitment**

- Weekly sessions are held from April 27 to August 31
- Participation in 60-minute weekly learning sessions
  - Optional 30 minute Q&A coaching session

**Who Can Participate**

All California provider settings are welcome to attend:

This effort is a continuation of the ECHO Nursing Home COVID-19 Action Network and is supported by a partnership between the Agency for Healthcare Research and Quality (AHRQ), the University of New Mexico’s ECHO Institute and the Institute for Healthcare Improvement (IHI). This effort is funded through the Coronavirus Aid, Relief, and Economic Security (CARES) Act Provider Relief Fund (PRF)—authorized nursing home distribution.
