Global Learning Objectives:
• Develop strategies to collaborate with multidisciplinary health care providers to improve quality of life and outcomes for cancer survivors
• Utilize best practices to design customized health maintenance surveillance plans for cancer survivors
• Apply effective communication skills with cancer survivors about cancer recurrence, surveillance and health maintenance

Accreditation
The Stanford University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation
The Stanford University School of Medicine designates this live activity for a maximum of 1.00 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Cultural and Linguistic Competency
California Assembly Bill 1195 requires continuing medical education activities with patient care components to include curriculum in the subjects of cultural and linguistic competency. The planners and speakers of this CME activity have been encouraged to address cultural issues relevant to their topic area. The Stanford University School of Medicine Multicultural Health Portal also contains many useful cultural and linguistic competency tools including culture guides, language access information and pertinent state and federal laws. You are encouraged to visit the portal: http://lane.stanford.edu/portals/cultural.html

Cancer Survivorship Lecture Series
Fertility Preservation: Science and Systems
Date: June 23, 2020
Time: 4:00-5:00pm
Via WebEx
Presenter: Ruben Alvero, MD

Professor of Obstetrics and Gynecology (Reproductive Endocrinology and Infertility) at the Stanford University Medical Center

Session Learning Objectives:
• Describe indications for fertility preservation for medical reasons
• Understand the process and options for fertility preservation
• Discuss medical, financial and ethical issues regarding elective fertility preservation
• Be aware of conditions other than cancer in which to consider fertility preservation

LEARNERS MUST SIGN IN TO RECEIVE CME CREDIT.
Course Directors: Lidia Schapira, MD
## PLANNER AND FACULTY DISCLOSURE TO LEARNERS

### Cancer Survivorship Lecture Series - Date

In accordance with the standards of the Accreditation Council for Continuing Medical Education (ACCME), all speakers, planners and/or persons who can influence the CME content must disclose to learners any relationships with commercial interests providing products or services that are relevant to the content of this CME activity and/or the content of this presentation.

The following individual(s) HAVE indicated the following relationships:
