Name(s) and Department(s) of Stanford Faculty Member(s) with whom you wish to work:

### **Research Plan:**

In a separate document, please state briefly (not exceeding three pages) the nature of your research interests, and the work you propose to do, the methods you will employ, and the kinds of results you hope to obtain. At the end of this statement, list your relevant publications.

What are your career plans? If you can, specify where you hope to go upon completion of this fellowship.

What do you consider the optimal time for you to begin this fellowship, should it be awarded to you? How flexible is this starting time? (Give a range in weeks.)

At the time of the application, have you made commitments that would preclude a two-year commitment to a training grant?

Please state your current source of funding (if applicable):

Applicant must arrange for <u>three</u> letters of recommendation for the application to be considered. One letter should be from your current preceptor, Chief of Service, or thesis advisor. Provide below the names of three individuals you plan to contact. It is <u>your</u> responsibility to ensure that these letters of recommendation are submitted directly to the Program Office either by e-mail or in a sealed envelope.

This application and all supporting materials should be mailed to:

William Magruder Department of Anesthesia Stanford University Medical Center 300 Pasteur Drive, S272 Stanford, California 94305-5117 magruder@stanford.edu

## ANESTHESIA TRAINING PROGRAM IN BIOMEDICAL RESEARCH STANFORD UNIVERSITY (T32 GM089626)

\_\_\_\_ is applying for a postdoctoral fellowship in the

(Name of applicant)

Anesthesia Training Program in Biomedical Research at Stanford University

The objective of this two-year training program is to train leaders in academic anesthesia research. Applicants for these fellowships are asked to submit letters of recommendation from at least three people who are familiar with their qualifications and accomplishments. We would greatly appreciate your evaluation of the applicant's accomplishments, including intellectual independence, capacity for analytical thinking, technical skills required for research, ability to organize and express ideas clearly, potential for teaching, potential for developing Into an independent researcher, clinical skills and judgment (if applicable), and his/her motivation for entering a program such as ours.

Please write your recommendation in letter form, and indicate the nature and duration your professional relationship with the applicant. Your letter should be sent directly to:

William Magruder Department of Anesthesia Stanford University Medical Center 300 Pasteur Drive, S272 Stanford, California 94305-5117 magruder@stanford.edu

Thank you in advance for helping us to evaluate the applicant.
