Name:

Last (Family or Surname) First Middle

Stanford University affirms strongly its practices, policies, and purposes for affirmative action:
Ethnic self description: ☐ American Indian ☐ Asian/Pacific Islander
☐ African-American ☐ Caucasian ☐ Hispanic

This program is particularly interested in encouraging applications from the following groups (check all that apply):
☐ Individuals from racial and ethnic groups that have been shown by the National Science Foundation to be underrepresented in health-related sciences on a national basis.
☐ Individuals with disabilities, who are defined as those with a physical or mental impairment that substantially limits one or more major life activities.
☐ Individuals from disadvantaged backgrounds who are defined as either individuals who come from a family with an annual income below established low-income thresholds or individuals who come from a social, cultural, or educational environment such as that found in certain rural or inner-city environments that have demonstrably and recently directly inhibited the individual from obtaining the knowledge, skills, and abilities necessary to develop and participate in a research career.

Return this form with your application in order to indicate which credentials you are enclosing. All requested credentials must accompany your application.

Name(s) and Department(s) of Stanford Faculty Member(s) with whom you wish to work: ________________________________________________________________
Research Plan:
In a separate document, please state briefly (not exceeding three pages) the nature of your research interests, and the work you propose to do, the methods you will employ, and the kinds of results you hope to obtain. At the end of this statement, list your relevant publications.

What are your career plans? If you can, specify where you hope to go upon completion of this fellowship.

What do you consider the optimal time for you to begin this fellowship, should it be awarded to you? How flexible is this starting time? (Give a range in weeks.)

At the time of the application, have you made commitments that would preclude a two-year commitment to a training grant?

Please state your current source of funding (if applicable):

Applicant must arrange for three letters of recommendation for the application to be considered. One letter should be from your current preceptor, Chief of Service, or thesis advisor. Provide below the names of three individuals you plan to contact. It is your responsibility to ensure that these letters of recommendation are submitted directly to the Program Office either by e-mail or in a sealed envelope.

Stanford, California 94305-5117
cgarci7@stanford.edu
(Name of applicant) is applying for a postdoctoral fellowship in the
Anesthesia Training Program in Biomedical Research at Stanford University

The objective of this two-year training program is to train leaders in academic anesthesia research. Applicants for these fellowships are asked to submit letters of recommendation from at least three people who are familiar with their qualifications and accomplishments. We would greatly appreciate your evaluation of the applicant's accomplishments, including intellectual independence, capacity for analytical thinking, technical skills required for research, ability to organize and express ideas clearly, potential for teaching, potential for developing into an independent researcher, clinical skills and judgment (if applicable), and his/her motivation for entering a program such as ours.

Please write your recommendation in letter form, and indicate the nature and duration your professional relationship with the applicant. Your letter should be sent directly to:

Cassandra Garcia  
Anesthesiology, Perioperative & Pain Medicine  
Stanford Medicine  
300 Pasteur Drive, 2nd Floor  
Stanford, California 94305-5117  
cgarcia7@stanford.edu

Thank you in advance for helping us to evaluate the applicant.
