

AutismEYES: Eye-Tracking Study

ARE YOU ELIGIBLE?

For your time, you and your child may receive \$75-\$135!

- Your child is between 2 and 17 years old
- Suspected autism spectrum disorder/neurodevelopmental disorder
- Confirmed autism spectrum disorder (ASD) diagnosis
- Suspected social deficits or delays

WHAT DOES THIS STUDY INVOLVE?

You will complete a parent interview & questionnaires about your child.

Your child may:

- Engage in a fun, quick, and child-friendly eye gaze activity
- Complete some measures of their development and behavior
- Participate in two follow up visits 2 weeks and 16 weeks later*

*Appointments will be scheduled at your convenience.

Participation in this study is voluntary and you can choose to leave at any time.

**IF YOU ARE INTERESTED,
PLEASE CONTACT AUTISMDD@STANFORD.EDU OR CALL (650) 736-1235.**
