

Application for Candidacy for Doctoral Degree

Admission to candidacy for the doctoral degree is granted by the major department following a student's successful completion of qualifying procedures. Students are expected to be admitted to candidacy by the end of the second year of doctoral study. Candidacy is valid for five years, subject to satisfactory academic progress.

Please type or print this application, retain a copy for your records, and submit the original to your department for approval. If your program includes a minor, submit an Application for Ph.D. Minor form to both major and minor departments for approval.

A. Doctoral Course Requirements

The minimum unit requirement for the Ph.D. is 135 units of course work and research completed at Stanford. When more than one Stanford advanced degree is pursued, the Ph.D. must represent at least 90 units of work not used to meet the requirements of any other degree. At least 3 units must be taken with each of four Stanford faculty members.
