2024 STANFORD BLOOD AND MARROW TRANSPLANTATION AND CANCER CELL THERAPY SYMPOSIUM:

UPDATE ON CURRENT ADVANCES IN BMT AND CANCER CELL THERAPY

April 4 – 5, 2024

Frances C. Arrillaga Alumni Center
Stanford, CA

HYBRID EVENT

Register Now — *Early bird rates end March 4*

A Continuing Medical Education Conference presented by the Department of Medicine and the Division of Blood & Marrow Transplant at the Stanford University School of Medicine.

The Stanford Cancer Cell Therapy and Blood and Marrow Transplant Symposium will address the current and future state of blood and marrow transplantation and cancer cell therapy to aid participants in their clinical decision making. This hybrid conference offers a review of the latest advances in blood marrow transplantation and cancer cell therapy, including clinical trials research and future approaches on treatment strategies to optimize patients' clinical outcomes.

ACCREDITATION

In support of improving patient care, Stanford Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

CREDIT DESIGNATION

American Medical Association (AMA)

Stanford Medicine designates this Live Activity for a maximum of 13.50 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Nurses Credentialing Center (ANCC)

Stanford Medicine designates this Live Activity for a maximum of 13.50 ANCC contact hours.

American Board of Internal Medicine MOC Credit

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 13.50 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

MOC Participation Threshold

Learner writes a reflective statement on making a commitment to change or maintaining an element of practice. Validity of all written statements will be assessed prior to awarding credit.
