

# Learn and Chat at SCIENCE CAFÉ

---

Thursday September 29, 2022

4:00 p.m. – 5:30 p.m. PST

Join by Zoom or Telephone

---

We invite the community to learn and chat about science with a researcher. Tell family, friends, and neighbors about Science Café!

**Speaker:** Dr. Roeland Nusse, Ph.D.

Professor of Developmental Biology

Stanford University School of Medicine, Stanford Cancer Institute

**Topic:** Introduction to Cancer Immunotherapy

Please register online to receive the Zoom meeting and telephone information for this event.

Submit questions or topics for the event @ Community Science Café, Stanford Google Classroom
