

Postdoctoral Program Admissions

Date Program Tables are updated:

Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program's policies on intern selection and practicum and academic preparation requirements:

All applicants must have completed:

APA- or CPA-accredited graduate programs in clinical, counseling psychology, school psychology, and clinical child psychology programs;

APA- or CPA-accredited internships; and

all requirements for their PhD or PsyD prior to beginning their appointment.

Other required minimum criteria used to screen applicants:

As above. APA- or CPA- graduate and internship training are mandatory. No exceptions will be made.
